CONTENT														
Develop performance improvement goals based on analysis of data and desired education and performance outcomes.				Trainng Needs Assessment Plan		Design Document	Perf Analysis Plan		IT and PT Assignments					Project Proposal
Develop instructional and performance solutions to address organizational goals.	Educational Technology Final Project	Adult Learning Assignment			Distance Education & Mobile Learning assignments					Instructional Material Development Project	Final Intervention Recommendations Report	Multimedia artifact assignment		Final Project Deliverable
Develop strategies for implementation and evaluation of instructional and performance solutions.			Process Groups Reflection					Tecchnology Integration Plan					Program Evaluation Plan	Project Proposal
CRITICAL THINKING														
Analyze individual and organizational performance problems from education and human performance perspectives.				Trainng Needs Assessment Plan		Design Document	Perf Analysis Plan							Project Proposal
COMMUNICATION														
Communicate effectively with diverse stakeholders.								Tecchnology Integration Plan		Instructional Material Development Project	Recommendations Presentation to Stakholders		Program Evaluation Plan	Project Proposal
INTEGRITY AND VALUES														
Apply appropriate code of ethics.								Tecchnology Integration Plan					Program Evaluation Plan	Final Project Deliverable
