

UWF TeCMEN Workshop

Dealing with Difficult Employees: This workshop lays out a strategy for meeting challenges related to employee behavior. This will help managers move away from confrontations and toward solving problems. You will gain tips on how to handle challenging behaviors such as:

1. Interrupts colleagues at work in the office.
2. Blames teammates for being unreliable or incompetent.
3. Threatens management with dire consequences unless a manager gives into his/her request.
4. Drags his/her feet endlessly on various projects/requests.
5. Refuses to work with others.

Course Leader: Lane Rees, the owner of Human Resource Solutions, has over thirty five years in strategic and practical human resource leadership.

Location: The session convenes at the UWF Fort Walton Beach Campus; 1170 Martin Luther King, Jr. Boulevard. The classroom number will be provided by email to each of the registered participants.

Date: Wednesday, September 1. **Time:** 8:30 AM – 10:00 AM.
