Fast Facts about the City of Five Flags

- The hit Fox drama **"Prison Break"** filmed segments for the Season Two finale at Pensacola Beach. Many of the cast and crew stayed at the Hilton Garden Inn, site of 2007 AUBER Fall Conference. Pensacola Beach was used to represent the Panama area in the final three episodes of the season airing March 19, 26 and April 2.
- The National Museum of Naval Aviation, site of the 2007 AUBER Field Trip, is one of only two locations nationwide that features four real **F-14 military flight-training simulators** with all actual controls. Experience mock air-to-air combat, practice carrier landings or cruise over simulated sites. Are you *Top Gun* material?
