The Legal Studies program offers an alternative to law school for those who wish to work in the legal field in a capacity other than that of an attorney, primarily as a paralegal (traditional or nontraditional). Two specializations are available to students seeking the B.A. in Legal Studies. No previous legal/paralegal course work is required to enter the program. The Professional Specialization is for students who desire to pursue a career in the legal field in a capacity other than that of an attorney, primarily as a paralegal (traditional or nontraditional). The Pre-Law Specialization curriculum is for students who have a desire to attend law school but who also want to be able to work as a paralegal/legal assistant.

Contact the division for additional information concerning the post-baccalaureate certificate.

PROGRAM REQUIREMENTS

In addition to general University requirements, students seeking the B.A. in Legal Studies must meet the requirements listed below.

A grade of "C" is required for all courses listed as core courses. It is recommended that PLA 3700 should be taken as the first course in the major as this course is a pre-/co-requisite for PLA 3103. Also note that PLA 4263 must be successfully completed before taking PLA 4204. Any course substitutions for specifically listed courses must be approved in writing, in advance by a Legal Studies Coordinator. All Legal Studies majors must successfully complete PLA 4155 notwithstanding any prior course work in legal research and writing.

All PLA courses presume competency and experience with word processing, spreadsheets, databases, e-mail and Internet. If you do not have experience in these areas, it is suggested that you complete CGS 2570 prior to taking any PLA courses.
