 College: Business

The M.B.A. degree program develops the skills of management, the tools of problem solving, the capacity for decision-making, and the knowledge about formal organizations and their economic environment. The program prepares graduates for leadership positions in a variety of managerial and organizational settings. Admission to the MBA program does not require an undergraduate business degree. However, prerequisite business proficiencies are needed and can be completed quickly through accelerated foundations. Approximately one-third of the students in the program enter with no previous business course work.

The program of study leading to the M.B.A. degree is a 30 semester hour program designed to provide both a general view of business and a specialized focus through the portfolio. Before beginning core classes, each student must choose an industry for their portfolio. The portfolio gives the student the opportunity to focus in-depth research in an industry selected by the student. Five of the MBA core courses (ECP 6705, FIN 6406, ISM 6026, MAN 6511, and MAR 6815) require projects that are included in the student's portfolio.

During the last semester of the M.B.A. program, the student is required to submit their portfolio for review by the director. An exit interview is also conducted and is a requirement for graduation. Students must have a 3.0 (B) or higher GPA to meet graduation requirements.

In addition to the general University requirements, students seeking the M.B.A. degree must meet the following admission and degree requirements.

ADMISSION REQUIREMENTS

General university requirements for admission to graduate programs are described in the Graduate Admissions section. Graduate departments are currently developing departmental admission guidelines to govern admission to their specific disciplines. Refer to individual departments for more details regarding acceptable graduate admissions test, minimum score requirements, etc. In addition to the general university requirements this department requires the applicant must submit or possess the following credentials.

- A record of appropriate employment at increasing levels of responsibility
- A resume that demonstrates leadership experience
- Two letters of reference

The credentials of applicants who do not meet minimums for these criteria are reviewed further to determine if other factors are sufficient to warrant admission. A student needing prerequisite foundation courses for the M.B.A. program may take them as a non-degree student. However, only students who have been fully admitted to candidacy in the M.B.A. program will be permitted to enroll in the required core courses of the M.B.A. degree.

Application and Advising

Inquiries should be addressed to the M.B.A. Office. The M.B.A. Office will assist in all matters of application, admission, degree planning, and graduation. All students planning to enter the M.B.A. program must meet with an advisor to develop a degree plan. Transcripts and results of the GMAT should be submitted to the Office of Graduate Studies at the time of application. The program is administered by the M.B.A. committee, which consists of the director and faculty members from the areas of accounting, finance, marketing, economics, management, and management information systems.

FOUNDATIONAL PROFICIENCIES

Admission to candidacy in the M.B.A. program is gained by demonstrating proficiency in the areas of accounting, business communications, economics, finance, management, management information systems, marketing, and statistics. These proficiencies may be gained by completion of the following group of UWF courses:

ACG	2021	Financial Accounting.....	3
ACG	2071	Managerial Accounting.....	3
ECO	3003	Principles of Economic Theory & Public Policy.....	3
		or both ECO 2013 & ECO 2023-6 sh	
FIN	3403	Managerial Finance.....	3
GEB	6215	Business Communications.....	3
		or both GEB 3212 & COM 4110-6 sh	
ISM	3011	e-Business Systems Fundamentals.....	3
MAC	2233	Calculus with Business Applications.....	3
MAN	3025	Management Fundamentals.....	3
MAR	3023	Marketing Fundamentals.....	3
STA	2023	Elements of Statistics.....	3

These proficiencies may be demonstrated by satisfactory completion of equivalent courses. Courses more than five years prior to admission must be reviewed to determine proficiency. Accelerated Foundations, designed for students with no prior business course work or those who still need select prerequisites, are available and offer a means to quickly meet the foundation proficiencies needed to begin the core program. Accelerated Foundations are a series of 1.5 credit hour, intensive, weekend modules that cover the essential foundational knowledge in each of the prerequisite business subjects. For more information about this option, please contact the M.B.A. Office.

DEGREE REQUIREMENTS

Candidates admitted to the MBA program are required to complete all courses with a "C" grade or better and maintain an overall graduate GPA of 3.0 (B) or better. Enrollment in these courses is generally limited to MBA candidates.
