Summer Residency
What’s it all about?

The College Reach-Out Program annual Summer Residency is open to all Active rising 7th through 12th grades CROP students. The summer residential program exposes middle and high school students to college process and campus life.

Graduating seniors will have the opportunity to gain volunteer hours and work experience as a CROP Counselors.

Participants of the Summer Program will have the opportunity to receive testing information and review for the ACT. At the end of the week, participants will take a residual ACT. (scores accepted at UWF only)

What will go on???

Active rising 7th through 12th grades CROP students will spend five nights and six days on the campus of the University of West Florida. This event is a week packed with activities, students will experience living in a residential hall, take ACT classes, and advance testing skills to cope for those taking standardized tests.

ACT PREPARATION

Participants will have the opportunity to spend the week of the summer program in preparation for the ACT test. A residual test (a test administered by UWF) will be taken by participating students at the end of the week.

There is a registration fee.
For more information contact the CROP office at 850.474.3421.
