

GENERAL BUSINESS

Mission Statement

The mission of the College of Business is to provide a high quality, student oriented Educational experience to undergraduate and graduate business students primarily from the Northwest Florida region. The College of Business prepares students for successful careers in business and society and, in doing so, advances the educational and economical development of Northwest Florida. The College of Business prepares students for successful careers by offering them the opportunity to develop knowledge and skills in a particular business discipline within the framework of a broad business curriculum.

Student Learning Outcomes

UWF General Business graduates should be able to do the following:

Content

- Define terminology and concepts in the major areas of business:
 - Information Technology
 - Accounting
 - Economics
 - Management
 - Marketing
 - Finance
- Perform as a team member, manage human resources, and plan for the future.
- Manage resources efficiently, interpret business decisions with a market orientation, and incorporate economic/financial implications in business decision making.

Critical Thinking

- Identify business problems, frameworks for their solution and use appropriate problem solving techniques for business problems.

Communication

- Communicate effectively in writing, create and deliver effective oral presentations, and contribute effectively to group discussion.

Integrity/Values

- Articulate ethical issues that occur in business, evaluate alternative courses of action, and evaluate the implications of those actions.

Project Management

- Plan projects, work in team settings, and deliver project outcomes on time.

Assessment of Student Learning Outcomes

In the General Business major, you will demonstrate specific knowledge and skills through quizzes, examinations, projects, and other assignments throughout the undergraduate program. For example, in the core BSBA course Policy Analysis & Formulation, you will be given an opportunity to demonstrate your academic accomplishments in a standard format through the production of a substantial case analysis. In most courses, you will have quizzes and examinations on the knowledge and skills covered in the respective courses.
