WHAT IS INTERNATIONAL EDUCATION WEEK?

International Education Week is an opportunity to celebrate the benefits of international education and exchange worldwide. This joint initiative of the U.S. Department of State and the U.S. Department of Education is part of UWF's efforts to promote programs that prepare Americans for a global environment and attract future leaders from abroad to study, learn, and exchange experiences in the United States.

HOW CAN I GET INVOLVED?

If you would like to volunteer or participate in any of our events, please email intered@uwf.edu. We would appreciate your support. For more information, visit www.uwf.edu/intered.
