# ENVIRONMENTAL HEALTH & SAFETY

A DIVISION OF ADMINISTRATIVE AFFAIRS

---

*dedicated to promoting a  
safe and healthy  
environment*

## GENERAL INFORMATION

### MISSION STATEMENT

The Department of Environmental Health and Safety at the University of West Florida, is dedicated to promoting a safe and healthy environment for all university students, faculty, staff, and visitors. This goal is accomplished through programs designed to promote safety awareness and compliance with regulatory issues. A safe and healthful workplace can be attained through understanding of environmental and safety regulations, and the cooperation and assistance of the university community.
