

Festival on the Green Children's Fair Committee Seeks Participants

The 2009 Festival on the Green Children's Fair Committee is looking for UWF employees and students as well as area businesses and organizations to get involved to make this year's Children's Fair better than ever.

We are seeking UWF employees, students and area businesses and organizations willing to sponsor an activity for the kids. Activities can be anything fun for the kids to see, touch, hear, smell, do, make or play. Activity sponsors will be responsible for their event from beginning to end. That includes deciding on the activity, recruiting their own volunteers to help them with their activity, gathering and bringing necessary supplies and cleaning up their activity area after the fair. UWF will provide tables, chairs and electricity upon request.

Some examples of what UWF volunteers are signed up to do include paper hat making, face painting, and various crafts just to name a few. Several area businesses are already committed to sending their mascots to mingle around the fair and hand out goodies.

If you cannot sponsor an event, but would be willing to help out at the fair, please volunteer and we will set you up with activity sponsors who need help.

The committee is here to help you help us. If you or anyone you know would be interested in volunteering to make this the best Children's Fair of the decade, or for more information please contact Barbara Daley at bdaley@uwf.edu or at 474-2272.

Please spread the word to all your family and friends that this year's Children's Fair is going to be great! The Children's Fair web site is at <http://www.uwf.edu/festival/children.cfm>.

Note to UWF employees and students willing to sponsor an activity: there are lots of crafts supplies left over from past years that are available upon request.
