**Break Housing requires a payment of \$320.00 due on or before December 10, 2009.** Break Housing will be in your assigned space for Spring 2010. The term for Break Housing is December 11, 2009 - January 5, 2010. All Break Housing residents pay for the entire break term no matter how many nights they anticipate staying.

**Qualifications for Break Housing:**

- Resident lived on-campus Fall 2009
- Resident does not have a past due Housing balance
- Break Contract is received and Break Fee is paid by December 10, 2009
- Resident with a pending judicial case or judicial hold must contact the Housing and Residence Life, Central Office, Building 21, for approval prior to submitting Break Contract and paying Break Fee.

Residents changing rooms Spring 2010 will move to their spring room assignment no later than December 11<sup>th</sup> by contacting their current Hall Director for more information.

I agree to abide by all Department of Housing and Residence Life policies and procedures as well as all University regulations during Break Housing. Failure to follow policies and procedures will result in immediate removal and judicial action. I understand that standard University Housing services are limited for the period of this Break Housing assignment term. Services which may be limited include: staff availability, evening and weekend Area Office coverage, University Housing Physical Plant services, and Dining Services provided by Chartwells. I further understand that a Break Housing Assignment is contingent upon payment in full of Break Housing Fee.
