## Terry, Hat & Jeff - Maintenance

As the Staff Members of the Month  
For the Month of February 2009

“They continue to go above and beyond in their daily performance as maintenance mechanics. They are always willing to step in to assist. They deeply care for students. They recently made Hengel's office really extraordinary and you would never know it was a closet. They are deserving of this recognition!”

“As you all know we are short of office space and we had to put Hengel in a place were it was small and no windows. I had asked the guys to fix it up as best you can while I went to the SEAHO conference. When I returned they had painted the walls put shelves up and even put a fake window. For the short time they had they did a fantastic job. I am very proud of my men. They work hard even when I am gone.”
