## DIRECTOR'S CORNER

*Elena Moore, IEP Director*

Full Term A has begun. We would like to extend a warm welcome to every student, with a special mention of our eleven Kansai Gaidai students. UWF has enjoyed a warm relationship with Kansai Gaidai, located in Osaka, Japan, for a number of years.

There are new faces among our staff, too. Dr. Annette Graves and Ms. Rebecca Schmuck will not be

teaching. Dr. Graves is moving to England with her husband, and Ms. Schmuck has begun a new teaching position with Santa Rosa Schools. Both will be missed. However, we would like to welcome two new instructors: Ms. Kathryn Van Dyck and Ms. Heidi Ebbesson.

Ms. Van Dyck comes to us from PJC and has more than twenty years of experience in teaching English as a foreign language. She has lived in Europe, Japan, and the Middle East. Ms. Ebbesson recently moved from Philadelphia, where she completed a master's degree in TESOL at the University of Pennsylvania. Ms. Ebbesson has been teaching at Drexel

University. Ms. de Simon, Ms. Poister, and Mr. Vittetoe are also teaching this fall.

IEP has a busy calendar this fall. Activities planned include a tea ceremony at the Japan House, a talk on intercultural dating, an arts festival downtown, and of course, our traditional IEP soccer game in November. Our students will benefit from an updated curriculum and several new textbooks.

Study hard and have fun this fall. Happy Labor Day on September 1!
