

# Your Responsibilities as an International Student

**Students need to report the following types of information to their International Student Advisor in a timely manner:**

- Enrollment at the beginning of **every** session (excluding authorized break periods).
- Address changes within 10 days of the change
- Change in sources of financial support
- Employment
- Change in course load
- Change in program of study
- Change in academic status
- Intent to travel outside the United States
- Application for change of immigration status
- Need to extend program
- Intent to transfer
- Change in dependent status
