- **Ohio State Strategy Oriented Web Site**

[http://fisher.osu.edu/~leiblein\\_1/Strategy%20Resource%20Links2.htm](http://fisher.osu.edu/~leiblein_1/Strategy%20Resource%20Links2.htm)

One of the more comprehensive, non sales-driven web site with links to a wide range of information sources, including professional associations, consulting firms (management, accounting and IT) and strategy, government, international, small business, industry and company information sources. Courtesy of Professor Michael J. Leiblein of Ohio State's Fisher School.

- **University of Texas Business School**

<http://www.bus.utexas.edu/students/tca/links.htm>

Site with numerous consulting related resources, including directories and registries of consulting firms and consultants; publications, job search information and salary information.

- **Kennedy Information**

<http://www.kennedyinfo.com/mc/overview.html>

Proprietary but useful site about management consulting from one of the most important industry resources, Kennedy Information. Good source of data, magazines and books on consulting.

- **Consulting Information Services LLC**

[www.consultinginfo.com/cislogo.htm](http://www.consultinginfo.com/cislogo.htm)

Current news items about trends and developments in the management consulting and IT fields.

- **The International Society for the Psychoanalytic Study of Organizations (ISPSO)**

[www.ISPSO.org](http://www.ISPSO.org)

ISPSO provides a forum for academics, clinicians, consultants and others interested in working in and with organizations utilizing psychoanalytic concepts and insights.

The Society's aim is to share organizational research, consultation and experiences in the context of psychoanalysis. The ISPSO holds an annual meeting and symposium, locally organized study groups and ongoing discussions on the Internet and encourages scholarship and research in the field.

- **Family Firm Institute**

[www.FFI.org](http://www.FFI.org)

The family firm institute is an organization of family business consultants from a variety of disciplines and family business owners. The family firm institute holds a number of educational activities throughout the year, some of which include case based and empirical research that will be of interest to management consulting division members.

- **The Wall Street Journal**

<http://www.careerjournal.com/salaries/industries/consulting>

Salary, compensation and career information for positions in large, medium and small-size consulting firms.

- **Top-Consultant.com**

<http://www.zambeasy.com/top-consultant/default.asp>

A comprehensive consulting industry site, with special interests in careers, firms and consulting jobs.

- **The Executive Coaching Forum**

<http://www.theexecutivecoachingforum.com>

A comprehensive site describe the field of executive coaching from a more scholarly perspective than most such sites. You will find a useful monograph “The Executive Coaching Handbook” that can be downloaded for free.
