2UWF Joint Admissions Agreement & Declaration of Past Conduct

In compliance with Florida law and UWF regulation 3.003*, students who plan to participate in the 2UWF program are required to respond to a series of two, conduct-related questions before their full participation in the program can be confirmed. Please respond to the following questions, providing written documentation to any question to which you respond “yes” and submit all documents to the 2UWF program coordinator as soon as possible.

1. Are you currently, or have you ever been, charged with or subject to disciplinary action for academic or any other type of misconduct at any educational institution? (For purposes of this requirement, misconduct includes conduct that resulted, or if still pending, could result in probation, suspension or expulsion from an educational institution, but does not include conduct that resulted in or could result in only high school-level detention. Misconduct at a previous educational institution does not include academic dismissal, suspension or probation that was due entirely to poor grades.)

Check only one: Yes** or No

(**If yes, please provide an explanation and any outcome that has been realized.)

2. Have you ever been charged with a violation of the law that resulted in, or if still pending could result in, probation, community service, a jail sentence, or the revocation or suspension of your driver license (including traffic violations that resulted in a fine of \$200 or more)?

Check only one: Yes** or No

(**If yes, please provide an explanation and any outcome that has been realized.)
