Lectures are held in the Data Analytics Lab Building 79
11:00 AM to 12:30 pm

Tuesday, November 8, 2016
Dr. Dallas Snider,
Department of Computer Science
Presents:
“Red data, blue data, fast data, slow. Little data, big data, grow, Grow, GROW!”

Series Calendar

December 2

Please let Brian Crisher (bcrisher@uwf.edu) know if you might like to present work!

Light Refreshments Provided

With apologies to Theodor Seuss Geisel, Dr. Dallas Snider from the UWF Computer Science Program will discuss the diverse labels we put on data—sometimes erroneously. This Election Day, go vote and then come to Data Dialogues at 11:00 AM to learn how election data fits into the variety of data in our interconnected world.
