Graduate Fellowship
In the
Department of Computer Science

APPLICATIONS ARE BEING ACCEPTED
FOR TWO GRADUATE FELLOWSHIPS
IN COMPUTER SCIENCE

Award Details:
$5,000 per year
for one year, with
the possibility of
renewal for a
second year if the recipient
maintains excellent standing in the chosen graduate program.

Finalists will be chosen based on academic merit and potential
to do committed, high quality research in an area of Computer Science

Your letter of intent should include a detailed description of
(i) academic and professional background; (ii) academic and
professional interests; (iii) previous research experience, if any; (iv) academic and/or professional goals.

NOTE: Qualified candidates may also apply for other scholarships or a graduate assistantship in the Department of Computer Science for additional financial support.

Email: Dr. Sikha Bagui bagui@uwf.edu
