

How to View Your Community Service Hours in JasonQuest

1. Log into your JasonQuest account through your my.uwf.edu
2. In JasonQuest, click on **“My Account”** near the upper left of the page
3. From the drop down menu, select **“My Activity”**
4. Once you are on the Activity screen, you will want to click on the tab called **“Placements”**
When you are in your account, it will actually read **“## Placements”** where the ## will be the number of submissions you have recorded
5. Once you click on Placements, you will be able to view each of your submissions and can click **“view”** to the right of the submission to expand it and get the complete details of the entry
