

## **“It’s On Us”**

**Female Student #1:** One in five women, and one in sixteen men are sexually assaulted at college. Eight out of ten victims knew who their attacker was. It’s on us, all of us, to stop sexual assault.

**Male Student #1:** Do something...anything, to keep an assault from happening.

**Male Student #2:** It’s on us to be part of the solution, not part of the problem.

**Female Student #2:** It’s on us to be more than a bystander.

**Female Student #3:** It’s on us to step in if a friend is doing something that could lead to sexual assault.

**Female Student #4:** It’s on us to act when we think someone’s in trouble.

**Male Student #3:** Stand up to your friends when they are doing something stupid.

**Female Student #5:** It’s on us to stand up to those who tell us it is not our business.

**Male Student #4:** It’s on us to tell our friends if what they are doing is wrong.

**Male Student #5:** It’s on us to say something when we see something bad happening.

**Female Student #6:** It’s on us to take reports of sexual assault seriously.

**Male Student #6:** It’s on us to change the way we talk about women.

**Female Student #7:** It’s on us to never blame the victim. I’m Wally and it’s on us...all of us, to stop sexual assault.
