**TUESDAY, APRIL 23**

**NSF UWF Faculty ADVANCE Keynote Address:**

“**That None Shall Perish**”

Dr. Kelly Mack, Executive Director, Project Kaleidoscope

Association of American Colleges and Universities

**Time:** 5:30PM Reception, 6:00PM Talk

**Location:** Bldg. 4, Auditorium (Room 102)

Dr. Mack will speak about the importance of a holistic approach to STEM education and broader representation in STEM disciplines.

---

**WEDNESDAY, APRIL 24**

**Women’s Studies Conference**

**Time:** 9:00AM – 5:00PM

**Location:** Conference Center

This conference aims to heighten awareness among UWF students about the Women’s Studies Program while offering a forum for the practice and exercise of scholarship, focusing on gender-related topics.

---

**THURSDAY, APRIL 25**

**Women in STEM Symposium: Discovering the Engineer Within**

**Time:** 8:30AM – 1:00PM

**Location:** Conference Center

This symposium will bring women of all ages and backgrounds together to network with each other and share their personal experiences, in support of helping students find out what it takes and what it is like to be an engineer.

---

**Student Scholars Symposium**

**Time:** 1:00PM – 5:00PM

**Location:** Field House and Argo Athletic Club

The Student Scholars Symposium will feature scholarly and creative works produced through collaboration between UWF students and faculty.

---

**FRIDAY, APRIL 26**

**NSF UWF Faculty ADVANCE Annual Showcase**

**Keynote Address:** “**Unearthing Potential: A Journey from the Farmhouse to the Presidency**”

Dr. Judy Bense, President, University of West Florida

**Time:** 8:45AM – 12:30PM, 9:00AM Keynote Address

**Location:** Conference Center

The ADVANCE Showcase will also highlight the contributions and accomplishments of the NSF UWF ADVANCE Program and scholars.
