University of West Florida

Spring Commencement

Saturday, May 6, 2017
Dear 2017 Graduates,

Today marks the day you have long anticipated—graduation. On behalf of everyone at the University of West Florida, I want to tell you how proud we are of you. It took hard work and determination, along with countless hours in the library, to get here.

Your degree, whether a bachelor’s, master’s, specialist or doctoral, marks a step toward your future successes. Some of you will be starting the career that you have dreamed of while others will start working towards that next degree. Whichever path you have chosen, your Argo family will be cheering you on.

Throughout your UWF career, you’ve had a team who encouraged you and supported your efforts. I want to thank the parents, spouses, children and friends of our graduates who helped along the way. They share a feeling of pride in your accomplishments and excitement for your journey ahead.

The word “commencement” signifies moving forward. You are starting out and blazing a new trail. Your time at UWF has given you a foundation for your journey ahead. My wish for you is to take on the future with a sense of optimism and confidence that you can face the challenges ahead.

You now share in the rich history of UWF. Over the past 50 years, more than 81,000 men and women like you have become UWF graduates. Congratulations on joining that elite group and thank you for being a part of the Argo story.

As you leave here today, remember these words in Italian, Ancora Imparo, which translate to “still I am learning.” I encourage you to continue learning new ideas and concepts. Seek out ways to gain knowledge and skills that will enrich your lives.

Congratulations from everyone at the University of West Florida. We are proud of you. Go Argos!

Sincerely yours,

Martha D. Saunders
University of West Florida President

Academic Regalia

The academic regalia worn today at the University of West Florida originated in the universities of the Middle Ages when a warm gown and hood were useful for scholar and cleric in unheated buildings. The distinctive gown also served to set the student apart from his fellow citizens of the community. Until the Civil War, students at most American universities wore caps and gowns daily while in residence. These varied in design until they were standardized in 1894. At that time it was decided that all robes would be black; bachelor's gowns of silk with long closed sleeves; doctors' gowns also carried three velvet bands around each sleeve above the elbow. Hoods, made of the same materials as the gowns, were varied in length with the degree. The lining of the hood indicated the academic discipline in which the degree was earned.

In the recent years several universities have decided to return to a distinctive gown design, particularly in the color of the garment. However, there has been no change in the standard colors that represent the disciplines. At the University of West Florida, each bachelor's degree candidate or graduate wears a blue and green tassel on the cap (mortar board). The tassels of master's and specialist's degree candidates and graduates represent the specific degree or discipline achieved. Doctoral degree recipients wear a gold tassel. In addition, baccalaureate graduates who have earned a 3.5 accumulative grade point average or higher are entitled to wear gold honor cords on their gowns.

ALMA MATER

Where learning’s light sends forth its beam
Through darkness of our youth,
There you, West Florida, home of dreams
Prepare the way of truth.
You guide us toward tomorrow’s shore
With knowledge of our past;
Your power in us rests secure,
And evermore will last.
Your stately mansions were our home
Where minds and hearts are free;
And though we may far from you roam,
We’ll always honor thee.

Composer Lynne Lauderdale, D.M.A.
Lyricist A. Michael Yots, Ph.D.

Fifty years ago was just the beginning.
Here’s to the next 50 years of creation, innovation and transformation.
