Applying for Graduation

If you believe you are nearing program completion, consult with your academic advisors, monitor your progress by viewing your DegreeWorks audit in UWF account, and reference the appropriate Academic Catalog to make sure all graduation requirements are met. You should then apply online for the appropriate term of graduation.

Visit the Graduation Guide and familiarize yourself with the graduation process and associated timelines.

Be sure to review your Privacy settings in the Contact and Privacy Information App in MyUWF. If a privacy restriction is on your record, your name will not appear in the commencement program and UWF will not release your degree information without your written consent. You are responsible for having this restriction removed by the deadline in order to be included in the printed program.
Have you applied for graduation?

• Please note that walking in the Commencement Ceremony is not synonymous with graduating. Participation in the ceremony is optional. The actual process of being awarded your degree is separate.

• You **must have a graduation application on file** with the Office of the Registrar in order to participate in the Commencement Ceremony. Please be aware that participation in the ceremony is not a guarantee of graduation.

• You must apply for graduation online through MyUWF. You may visit the page, [Applying for Graduation](#) to view detailed instructions on how to complete this step.

• Apply for the term of graduation in which you will complete all degree requirements. To determine the graduation application dates and deadlines for a current or future term, please review the [Academic Calendar](#) on the [Office of the Registrar](#) webpage.
Applying for graduation (continued)

- Review your submitted graduation application for accuracy. Correction requests or questions about your application may be emailed to graduation@uwf.edu.

- If your graduation application is cancelled or denied, you will need to submit a new graduation application for the appropriate semester.

- UWF conducts Commencement ceremonies at the conclusion of the Spring and Fall terms only. *Students should apply for Graduation during the term in which they will complete all degree requirements.* Summer term graduates have the option to choose to participate in either the Spring or Fall ceremony. Summer term graduates will have their information included in both Commencement program booklets.
Financial Aid Requirements

• Federal Loan Exit Counseling provides information you will need to successfully repay your federal student loan(s).

• Exit Counseling is required by law for any student who obtained any federal loans at any point during their college career.

• Exit Counseling should be completed after you receive the last disbursement of federal loans. We recommend completing exit counseling at least 1 month prior to your graduation date.
Financial Aid Requirements

- Exit Counseling must be completed at [www.studentloans.gov](http://www.studentloans.gov) and you will need the following information:
  
  1. Outstanding balance(s) on your federal student loan(s):
     This information can be found at [www.nslds.ed.gov/nslds_SA/](http://www.nslds.ed.gov/nslds_SA/).
  2. Names, addresses, email addresses, and phone numbers for your next of kin, two references who live in the United States, and your employer or future employer (if known).
If I applied for graduation, do I still need to register for the ceremony?

The answer is **YES!**

You must register for the ceremony in order for the University to know how many students will participate in the commencement ceremony. RSVP’s are used to determine the amount of seats needed. As well, this allows us the opportunity to identify students who may need special assistance at the ceremony.

Register for the ceremony at [uwf.edu/commencement](http://uwf.edu/commencement)
Cap, Gown & Invitations

- You must wear appropriate regalia in order to participate in the commencement ceremony. Regalia must be ordered and picked up from the Bookstore prior to the ceremony. The Bookstore will be available at the ceremony for *exchanges only*—no purchases. The Bookstore provides pre-sale dates with reduced pricing for early orders.
- Your reader card for the ceremony will be included with your cap and gown order. Make sure to fill this out and bring it with you to the ceremony.
- You may also purchase graduation announcements, class rings, cords, stoles, etc. You are responsible for knowing which college you are graduating from to ensure you order invitations for the correct ceremony. Consult with your advisor if you are unsure.

**Contact the Bookstore with all questions regarding proper regalia and dates for purchasing at 850.474.2150 or [UWF Bookstore](http://uwfbookstore.com).**
How to wear your mortar board

• The mortar board sits level on the top of the head, so the board portion is parallel to the floor. Undergraduates should wear the tassel on the right side. The University President will indicate during the ceremony when undergraduates may move the tassel to the left side.

• Master’s, Specialist, and Doctoral graduates should wear the tassel on the left side.

• Make sure to bring bobby pins in case you need to secure the mortar board in place.

BACHELORS & ASSOCIATES  MASTERS  DOCTORAL
You should arrive no less than 45 minutes prior to your ceremony. Allow enough time for parking. You will enter the Pensacola Bay Center from the north ground-level entrances. These entrances are adjacent to Gregory Street. Signs will be available to direct you to your appropriate location when inside. Volunteers will be available for directions as well.

Prior to that day, you should familiarize yourself with the layout of the Pensacola Bay Center, the parking logistics and how best to access your entrance.

Parking for disabled students is available in the front parking lot with a handicap parking permit or a special parking pass requested from the Commencement Coordinator. Students needing special assistance may enter the Bay Center at the front and volunteers will direct them appropriately. If you are needing special assistance during the ceremony, you should contact the Commencement Coordinator at 850.474.2550 to allow for special accommodations being made.
Lining up at the Bay Center

Line up instructions are included in your cap and gown order. If you misplaced those, the instructions are also available on the Commencement website.

Proceed to your assigned area noting the signs provided to direct you. Once you reach your area, you will line up with your fellow graduates. Make sure you have your completed reader card to present on stage.

Graduates are not lined up alphabetically or by department. Graduates will process by type of degree- doctoral, educational specialist, master’s, bachelor’s then by college.
While lining up for the ceremony, staff volunteers will provide ‘Favorite Faculty’ cards to students. This is an opportunity for students to recognize faculty and staff who have made a positive impact on their college experience.

Please take a moment to complete one. Feel free to fill out as many as you want though.
Walking in the Ceremony

- Since Bachelor’s candidates will walk into the arena in two lines you can choose which side to process in. If you want to sit with a friend, line up on the same side. For example, if you walk in the right line, you will be seated on the right side of the stage and vice versa.

- Volunteers will have extra reader cards on hand in the event you forget to bring yours. You must complete your reader card prior to processing into the arena.

- Doctoral, Specialist and Master’s candidates should wear your tassel to the left. Bachelor’s candidates should wear your tassel to the right.

- You will be prompted when to approach the stage for presentation of the diploma cover. A photo will be taken when accepting your diploma cover.
Walking-- for Doctoral Graduates

Doctoral

• Ed.D./Ed.S. will proceed into the arena in one line from the PBC Northwest Entrance. Staff will direct you to a seat in Section B (right side) where you should be seated quickly.

• For acceptance of your diploma cover, you will enter the stage from the right side. Accompanied by your dissertation advisor, you will present your reader card to the reader then proceed forward to be hooded.

• Once hooded, you will receive your diploma cover, proceed across the stage, shake hands with the President and exit down the left side.

• Please be seated at that time.
Walking-- for Masters Candidates

Masters

• You will line up with other students in the back tunnels for the processional. Students will proceed into the arena in a single line down the left aisle. Staff will direct you to a seat from Section A (left side) through to Section B (right side) where you should be seated quickly.

• Candidates should drape hood over your right arm. The neckband portion should drape over the outside of the arm. Verify that the black string is unclasped so the hood can be easily placed over the head.

• You will approach the stage and present your reader card to the reader. Accompanied by your departmental hooder, proceed forward to be hooded. Once hooded, you will receive your diploma cover from the Provost, continue across stage to have your picture made with the President then exit the stage via the left side stairs, and return to your seat. Please be seated at that time.

**Remember to have your card for the reader completed BEFORE proceeding to the stage. Tassels should be worn on the left side of cap for all Master’s candidates.
Walking-- for Undergraduate Candidates

Bachelors
• You will line up with other students in the back tunnels for the processional. Students will proceed into the arena in two lines down the center aisle. Staff will direct you to a seat in Section A (left side) or B (right side) where you should be seated quickly.

• You will enter the stage from the side you are seated. Approach the stage and present your reader card to the reader.

• Proceed forward to receive your diploma cover, shake hands with a University Administrator then exit the stage via the front center stairs, and return to your seat. Please be seated at that time.

**Remember to have your card for the reader completed BEFORE proceeding to the stage. Tassels should be worn on the right side of cap for all undergraduates.
What’s a Reader Card?

• A reader card is included in your cap and gown order. It is critical that you provide your name as you want it announced. You should also provide a phonetic spelling of your name to ensure it is pronounced properly.

• Bachelor’s candidates should note any honors designation you may have (cum laude, magna cum laude, summa cum laude). Your honors designation in the program is determined by your grade point average at the beginning of your final semester. Your honors designation printed on your diploma considers your final grades at the end of the semester.
Recessional (Leaving)

After the Alma Mater is sung the recessional will take place in the following order:

Platform Party exits stage
followed by the Faculty
then Students

The Alum-Line is a UWF tradition at Commencement that allows our Faculty an opportunity to personally congratulate UWF’s newest Alumni. Students will exit out the two north entrances.

Have your phone ready for a quick selfie with your favorite faculty members!
