Classroom Observation Report (Scaled)

Instructor __________________________ Observer __________________________
Course ____________________________ Number of students present _____________
Date/time of observation ______________ Location ______________________

NOTE:
This form may be used by the observer to report feedback from the classroom observation. Please consider each item carefully and assign the highest scores only for unusually effective performance. Questions 12 and 13 have been left blank, so that the instructor can include additional items if necessary. It is suggested that the observer and instructor arrange both pre- and post-visit meetings.
