   (a) have received a rating of at least "satisfactory" or "average" on his or her most recent performance evaluation (this does not disqualify faculty who have no University of West Florida faculty performance evaluation). "Satisfactory" or "average" with respect to a performance evaluation is when the majority of the faculty member's assigned duties are evaluated as "satisfactory" or "average.";

In the event such salary increases or bonuses are not permitted by the terms of the contract or grant, or in the event adequate funds are not provided, the President or representative will seek to have the contract or grant modified to permit such increases or bonuses.
