Program Description
The mission of the Interdisciplinary Social Science Children and Society program is to prepare students to study, support, and work with children and their families. The program emphasizes the complex and interconnected issues and challenges faced by children and families in modern society. The broad focus enables students to explain phenomenon, solve problems, and raise new questions in ways uncommon through a single-disciplinary focus.

About This Major
College: College of Education and Professional Studies
Degree: Bachelor of Arts (B.A.)
Required Hours for the Degree: 120
Emerald Coast Phone Number: 850.863.6565

Internships
The internship is a cooperative effort between the Criminal Justice Program at UWF and public or private agencies. The purpose of the internship is to give students the opportunity to apply their education to actual work situations. The student works under the supervision of the agency professional. Students receive academic credit and pay the required credit hour fees as they would a regular course. For more information, please visit uwf.edu/ceps/departments/criminology-and-criminal-justice/internships/internships-
