1 Equity funds invest in equity securities, which include common stock, preferred stock and convertible securities. Because such securities represent ownership in a corporation, they tend to be more volatile than fixed income or debt securities, which do not represent ownership.

2 Value-based investments are subject to the risk that the broad market may not recognize

3 Growth stocks tend to be more volatile than stocks that have below market valuations.

4 The securities of medium-sized companies, because of the issuers' lower market capitalization, may be more volatile than those of large companies.

5 The securities of small-sized companies, because of the issuers' lower market capitalizations, may be more volatile than those of large or medium-sized companies.

6 Foreign securities and markets pose different and possibly greater risks than those customarily associated with domestic securities, include

7 Any US Government guarantees of the securities held in this investment fund only pertain to those securities and not the Fund or its yield.

8 Bonds and bond funds are subject to interest rate risk, credit risk and inflation risk. Interest rate risk means that the value of bonds and bond funds generally falls when interest rates rise, causing an investor to lose money upon sale or redemption.

9 Asset allocation funds are subject to the risks of the underlying funds in which they invest. To the extent the fund invests more of its assets in stock investments, and in particular, small-cap stocks and/or foreign stocks, it will be subject to greater risk than a fund investing more of its assets in bond funds. The Asset Allocation Funds bear investment management fees in addition to the investment management fees and expenses of the underlying funds in which they invest.

10 Market values of inflation-protected securities can be affected by changes in the market's inflation expectations or changes in real rates of interest.

11 Lower rated high yield corporate debt securities represent a much greater risk of default and tend to be more volatile than higher rated or investment grade bonds.

12 The Guaranteed Pooled Fund is a pooled separate account offered through Transamerica Financial Life Insurance Company (TFLIC), 4 Manhattanville Road, Purchase, NY 10577, which provides the guarantee of principal and interest. TFLIC's claims paying ratings are: Standard & Poor's: AA: (Very Strong); Moody's: A1: (Good); A.M. Best: A+ (Excellent)

13 Mortgage-backed securities are subject to prepayment risk and may be sensitive to changes in prevailing interest rates.

Certain performance data for such funds are provided by independent firms that track the investment industry (such as Lipper, Inc.), or from the fund family itself. Although data are gathered from sources believed to be reliable, neither the independent tracking firms nor Diversified can guarantee the completeness, accuracy, timeliness or reliability of the data. All data are historical and subject to change at any time. Independent tracking firms may use different methodologies for providing mutual fund performance information. The independent tracking firms reserve all rights in their respective proprietary data.

Diversified's presentation of performance information for the non-Transamerica Partners funds, if any, is for informational purposes only and should not be construed as an endorsement or recommendation by Diversified nor be the basis of any investment decision. Depending on the particular non Transamerica Partners, Diversified or its affiliate may receive remuneration from the fund family (or its service provider) for providing certain recordkeeping or other administrative services.

The Transamerica Asset Allocation Funds invest in combinations of the funds of the Transamerica Partners Funds Group, as determined by Transamerica Asset Management, Inc. ("TAM") based on each Fund's investment objective. The Asset Allocation Funds bear investment management fees in addition to the investment management fees and expenses of the underlying funds in which they invest.

Instructions for Employees

- A. Complete the BENCOR Retirement Plan Enrollment Form** - It is very important that you fill out the enrollment form so BENCOR Administrative Services will have current information on your:
1. **Address** - This is where your account statements will be sent.
 2. **Beneficiary** - This will assure that your account will be distributed in accordance with your wishes in the event of your death.
 3. **Investment Direction** - This form allows you to direct your investments upon enrollment. Remember: your money is automatically deposited into the Guaranteed Pooled Fund unless you direct otherwise.
 - a. **Guaranteed Pooled Fund** - An interest rate is paid on these funds and the principal is guaranteed. Interest is credited daily to this account. The interest rate on the GPF is declared annually on January 1 for the calendar year.
 - b. **Investment Options** - You may choose to invest your money in any of the additional investment options that may achieve a higher or lower rate of return than the Guaranteed Pooled Fund. These variable accounts carry no guarantees and you assume all investment risk.
- B. Using Your BENCOR Account**
1. **Accessing your account** - See the back cover for detailed information.
 2. **Withdrawals** - You may withdraw your funds from this account at any time after your termination of employment with no surrender charges. Please seek tax advice from competent counsel to determine the tax liability on withdrawals.
 3. **Changes to your investment options** - You may change your investment options at any time with no transfer fees. You may make these changes either over the telephone, over the internet or by written instructions. Please see the listings on the back cover for contact addresses, phone numbers and web information.
 4. **Rollovers** - Upon your termination of employment, you may roll over these funds to other tax-advantaged investments such as IRA and 403(b) accounts. For a complete list of roll over options, please contact your financial advisor.

NOTE: If you roll over your funds into an IRA and you have not attained the age of 59½, you may subject your rolled funds to a 10% tax surcharge if you withdraw these funds from the IRA prior to attaining this age.

Effects of the FICA Alternative Plan contributions and Social Security payments on employee's take-home pay

The following illustrates the effects of the FICA Alternative Plan contributions and Social Security payments on the part-time, seasonal and temporary employee's take-home pay. This special retirement plan affords the eligible employee with the options of leaving the investments in the plan or taking the investments with him/her at employment termination, regardless of the amounts deposited or time worked. There are no minimum number of work hours required for participation or vesting. These contributions are made on a pre-tax basis with federal income taxes being deferred until withdrawal at retirement. Take-home pay is affected in a very small way, and in some cases can increase the employee's take-home pay. The employee has the ability to manage his/her own account.

Sample Paycheck Part-time, Seasonal or Temporary Employee		
	<i>Without the BENCOR Plan</i>	<i>With the BENCOR Plan</i>
Monthly Gross Earnings	\$1,000.00	\$1,000.00
Less 7.5% Plan Contributions ¹	0.00	75.00 ←
Taxable Income	1,000.00	925.00
Less 15% income tax ²	150.00	138.75
Less 6.2% Social Security withholding ³	62.00	0.00
Less 1.45% Medicare withholding	14.50	14.50
Net take-home pay	\$ 773.50	\$ 771.75
Accumulated Savings		+75.00 ←
Total Net-pay plus Accumulated Savings		\$846.75

¹Assumes no employer contributions deposited into employee's account.

²Actual income tax liability may be more or less depending on employee's other income, deductions, and tax filing status.

³Note that Social Security contributions are after-tax contributions with plan contributions being before-tax.

Plan Overview

Employee information

The Omnibus Budget Reconciliation Act of 1990 (OBRA 90) introduced into law Internal Revenue Code Section 3121(b)(7)(F). As a result, you, as a part-time, seasonal or temporary employee of a government employer, may deposit money into a private retirement plan, instead of Social Security.

Thus, you are not covered under Social Security.

Under the 401(a) FICA Alternative Plan, you contribute 7.5% of your compensation to an account in your name.

Any benefits which you have earned under any other retirement plan (as well as social security benefits) will not be reduced by participating in this plan.

Also, if you leave a position covered by this plan for any reason before retirement, you can withdraw the balance of your account, or continue to save the funds for retirement.

Eligibility

All employees who are not covered by their employer's retirement plan are automatically enrolled in this plan.

There is no minimum age or service requirement.

Contributions

- You contribute 7.5% of your compensation in place of Social Security tax deduction.

- You contribute before tax withholding is calculated, which reduces your current income taxes.

- You pay no taxes on your contributions or the earnings in your account until withdrawal.¹ Social Security taxes are never deducted.

- Individuals who are "active participants" for the year in certain tax-advantaged retirement plans, such as the FICA Alternative Plan, are subject to federal tax law limitations on deducting contributions for the same year to an Individual Retirement Account (IRA). These limitations also may affect a spouse's IRA deductions. Be sure to consult an independent tax advisor if you wish to take federal income tax deductions for contributions to an IRA

Vesting

You will always own 100% of your account balance.

Investments

The investment options for this retirement plan are comprised of a Guaranteed Pooled Fund (an interest bearing account) and variable investment options. Wells Fargo is the trustee and handles all deposits into and distributions from the plan.

Investments are controlled by the participants. You may choose to invest your money in one or more of the 17 different funds available, using the enclosed investment election form.

You may change the investments whenever you like by obtaining a new investment election form from BENCOR Administrative Services, by phoning 1-888-258-3422 or visit www.bencorplans.com. However, if you prefer not to direct the investments of your funds, they will automatically be placed into the Guaranteed Pooled Fund (an interest bearing account) option. The interest rate on the GPF is declared annually on January 1 for the calendar year. Information on all investment options is enclosed.

Inactive Account fees

No inactive account fees are charged to your account unless it has been two years since your last contribution AND your balance is less than \$1,000.00. At that time, if you do not elect a distribution, an account maintenance fee of \$0.40 per month will be applied.

Statements

Account balances are updated daily. You will receive a statement of your account after the end of each calendar year. Contributions, earnings, and any other activity in your account, will be reflected on your statement.

Withdrawals

Withdrawals from the plan may be made at the following times:

- Termination of employment
- Retirement
- After age 70 1/2 or retirement, if later, when the IRS requires that minimum distributions be made to the participant each year
- Your total disability
- Your death

Withdrawals from your account may be made in a lump-sum cash payment (the IRS 10% penalty on early withdrawals does not apply to withdrawals upon separation at age 55 or later) or as a transfer into an IRA or into another retirement plan (no IRS penalty will apply). There are no loan or hardship withdrawal provisions in this plan.

To request a withdrawal, send a written request to BENCOR Administrative Services. Include on the request your name, mailing address, Social Security number, account number and the name of your plan sponsor. A distribution packet will be sent to you. After completing the distribution forms, return the packet to your employer.

Distributions are processed once each month. Your employer may require a waiting period before you are eligible for distribution.

All registered investment funds are available by prospectus only. A prospectus may be obtained by contacting 1-888-258-3422. The prospectus contains additional information about the funds, including the investment objectives, risks, charges, and other expenses. You should consider all such information carefully before investing. Please read the prospectus carefully before you make your investment choices.

Diversified Investors Securities Corp. (DISC), 440 Mamaroneck Avenue, Harrison, NY 10528, distributes securities products. Any fund offered under the plan is distributed by that particular fund's associated fund family and its affiliated broker-dealer or other broker-dealers with effective selling agreements such as DISC. If the Transamerica Funds, Transamerica Partners Funds, or Transamerica Premier Funds (collectively, the Transamerica Funds) are offered under the plan, the Transamerica funds are distributed by Transamerica Capital, Inc. (TCI) and are advised by Transamerica Asset Management (TAM). If any stable, fixed or guaranteed funds are offered under the plan by Diversified, these funds are made available under a group annuity contract issued by Transamerica Financial Life Insurance Company (TFLIC), 4 Manhattanville Road, Purchase, NY 10577. Diversified, TAM, TCI, TFLIC and DISC are affiliated companies, but are not affiliated with BENCOR.

The total rates of return for the Funds are calculated in accordance with SEC regulations for performance advertising. Performance reflects historical investment results (including changes in share price and reinvestment of dividends and capital gains) less charges and deductions of The Diversified Funds Group (including those of the underlying Core Funds). Returns are annualized. For certain funds, certain fees may have been waived or expenses advanced during the periods shown. Without such waivers or advance of expenses, the total returns shown would have been lower. Additionally, the employer's retirement plan may also assess an administrative fee, which would reduce the performance data quoted.

Each of the funds of the Transamerica Partners Funds Group (other than the Stock Index Fund) is available through a Core Fund & Feeder structure, under which each such 'Feeder' fund invests in a 'Core Fund' with a corresponding investment objective. The Feeder funds are separate series of a registered investment management company. The Core Funds are registered investment management companies. For Funds showing inception dates prior to 1996 (other than the High Yield Bond Fund), the underlying Core Funds were established on January 3, 1994 (except the International Equity Core Fund which was established in October of 1995) when corresponding pooled separate accounts of MONY Life Insurance Company (formerly, The Mutual Life Insurance Company Of New York) (the "predecessor pooled separate account(s)") with corresponding investment objectives, policies and restrictions contributed all of their assets to such investment management companies. These investment management companies thereupon became available for investment by certain institutional investors, including mutual funds. All other Core Funds were established on the inception dates shown and do not have predecessor pooled separate accounts. Fund returns for the periods prior to the commencement of operations are hypothetical and are based on the historical data from the Core Funds and, if applicable, the predecessor pooled separate accounts. The predecessor pooled separate accounts were not registered under the Investment Company Act of 1940 and, therefore, were not subject to certain investment restrictions imposed by that Act. If the predecessor pooled separate accounts had been registered under the Act, performance might have been adversely affected. Stock Index Fund returns for periods prior to the commencement of operations are hypothetical and are based on the historical data from the S&P 500 Index Master Investment Portfolio, established on August 31, 1993. Other classes of shares, with different fee structures, may be available from the Funds depending on the retirement plan investor status. Transamerica Asset Management, Inc. ("TAM") is the investment advisor to each of the Core Funds and has the ability to appoint sub-advisors to manage the portfolio of each Core Fund.

¹Income taxes are payable upon withdrawal. Federal restrictions and a 10% tax penalty may apply to early withdrawals.
