If you have any money invested in this investment option, and/or if you have directed that your future contributions be allocated to this investment option, those amounts/percentages will be automatically transferred/directed to the replacement investment option. This Notice explains your rights and obligations with respect to the automatic transfer.

Description of the Investment Option: The investment option that is involved in this change is shown in the Replacement Investment Options Chart below. The chart lists the existing investment option as well as the replacement investment option to which the assets will be transferred and future allocations directed.
