WITHDRAWAL OF BIDS

Bids may be withdrawn by bidders submitting a written request prior to the scheduled bid due date. Negligence on the part of the bidder in preparing the bid confers no right for withdrawal of the bid after it has been opened. No bid may be withdrawn after the opening of bids is commenced.

DISQUALIFICATION/REJECTION OF BIDS

More than one bid from an individual, firm, partnership, corporation or association under the same or different names will not be considered. Reasonable grounds for believing that a bidder has an interest in more than one bid for the same work will cause rejection of all bids in which such bidders are believed to have an interest. Any or all bids will be rejected if there is reason to believe that collusion exists among the bidders; no participants in such collusion will be considered in future bids for the same work. Bids in which prices obviously are unbalanced may be
rejected by the University. Falsification of any entry made by the bidder will be deemed a material irregularity and will be grounds for rejection. The University reserves the right to reject any and all bids when in the opinion of the University such rejection is in the best interest of the University.

ADDENDA

Except for minor revisions, corrections, or clarifications, the University will endeavor to issue addenda no less than five calendar days prior to the date scheduled for receipt of bids.

The bidder is responsible for the contents of its bid and for satisfying the requirements set forth in the ITB.

INTERPRETATIONS/DISPUTES

Inquiries must reference the bid number and title. No interpretation shall be considered binding unless provided in writing by the University in response to requests in full compliance with this provision. Any actual or prospective bidder who disputes the reasonableness, necessity or competitiveness of the terms and conditions of the ITB, selection or contract award recommendation shall file such protest in form of a petition in compliance with written university policy. Delivery time may become a basis for making an award. Delivery of goods shall be made during normal business hours. Items not delivered as per delivery date in bid and/or Purchase Order may result in bidder being found in default, in which event all re-procurement costs may be charged against the defaulting bidder.

CONDITION AND PACKAGING

It is understood and agreed that any item bid or shipped as a result of this ITB shall be new (current model at the time of this ITB). All containers shall be suitable for storage or shipment and all prices shall include standard commercial packaging and shipping. It is agreed by the parties hereto that delivery by the vendor to the common carrier does NOT constitute delivery to the University. It is further agreed that the University accepts title only when received in acceptable condition, regardless of F.O.B. point.

CONFLICT OF INTEREST

The award hereunder is subject to the provisions of Chapter 112, F.S. All bidders must disclose with their bid the name of any officer, director, or agent who is also an employee of the University of West Florida. Further, all bidders must disclose the name of any University employee who owns, directly or indirectly, an interest of five percent or more in the bidder's firm or any of its branches. Such relationship or ownership may result in disqualification, and any contract entered in violation of such provisions shall be rendered voidable. For additional information, please contact the Ethics Commission at 850/488-7864.

No person or firm receiving a contract, to perform a feasibility study of the potential implementation of a subsequent contract, participating in the drafting of an invitation for bid or developing a program for future implementation shall
be eligible to contract with the University for any other contracts dealing with that specific project and bidders must disclose with their bid any such conflict of interest.

**MANUFACTURERS' NAME AND ACCEPTABLE ALTERNATES**

Any manufacturers' names, trade names, brand names information and/or catalog numbers listed in a specification are for information and not intended to limit competition. The bidder may offer any brand which meets the specifications and for which it is an authorized representative. Measurements appearing in these specifications are not intended to preclude items with metric measurements. If bids are based on alternate products, the manufacturer's name and number must be indicated. Bidders shall submit with bid: cuts, sketches, descriptive literature, and/or complete specifications. Reference to literature submitted with a previous bid will not satisfy this provision. The University reserves the right to determine acceptance of item(s) as an acceptable alternate. Bids which do not comply with these requirements are subject to rejection. Bids lacking any written indication of intent to bid an alternate brand will be received and considered in complete compliance with the specifications as listed in the ITB. Bidder must notify the University of any proposed changes in (a) materials used, (b) manufacturing process, or (c) construction. Changes shall not be binding upon the University unless evidenced by a written Change Order issued and signed by the University's Office of Procurement and Contracts.

**SAMPLES**

Samples of items, when called for, must be furnished free of expense, on or before bid due date, and if not destroyed may, upon request, be returned at bidder's expense. Each individual sample must be labeled with bidder's name, manufacturer's brand name, bid number and item reference. Request for return of samples shall be accompanied by instructions which include shipping authorization and names of carrier and must be received with the bid. If instructions are not received with bid, the samples shall be disposed of by the University.

**ADDITIONAL TERMS AND CONDITIONS**

No additional terms and conditions included with the response shall be evaluated or considered and any and all such additional terms and conditions shall have no force and effect and are inapplicable to this ITB. If submitted either purposely through intent or design or inadvertently appearing separately in transmittal letters, specifications, literature, price lists or warranties, it is understood and agreed the general and special terms and conditions in this solicitation are the only conditions applicable to this solicitation and the bidder's authorized signature affixed to the ITB Acknowledgment Form attests to this.

**SERVICE AND WARRANTY**

Unless otherwise specified, the bidder shall define any warranty service and replacement that will be provided during and subsequent to this contract. Bidders should explain on an attached sheet to what extent warranty and service facilities are provided.

**ADDITIONAL QUANTITIES**

For a period not exceeding 90 days from the date of acceptance of this bid, the right is reserved to acquire additional quantities up to the amount shown on the bid at the prices bid in response to this invitation. If vendor does not agree to provide additional quantities, the bid sheets are to be noted "BID IS FOR SPECIFIED QUANTITY ONLY."

**BIDDER'S RESPONSIBILITY**

It is understood and the bidder hereby agrees that it shall be solely responsible for all goods and services that it bids, notwithstanding the detail present in the ITB.

**BID CLOSING**

The bid closing shall be public, on the date, place and time specified on the ITB Acknowledgment Form. It is the bidder's responsibility to assure that the bid is delivered to the Procurement and Contracts Office no later than the date and time specified. Bids, which for any reason are not delivered on time, will not be considered. Bids by fax, telegram or telephone ARE NOT ACCEPTABLE. A bid may not be altered after bid closing. NOTE: Only the names of the bidders will be announced at the bid closing.
BID OPENING

Bid openings are exempt from public meeting requirements. In compliance with subsection 2(c) of 286.0113, Florida Statutes, General exemptions from public meetings, bid openings will be recorded. Recordings are exempt from public records laws until such time as the University issues a notice of an intended decision.

AWARDS

As deemed in the best interest of The University, the right is reserved to make multiple awards or a single award, to reject any and all bids, or waive any minor irregularity or technicality in bids received. The University further reserves the right to award on the basis of bid options, if applicable. When it is determined there is competition to the lowest responsible bidder, evaluation of other bids is not required. Bidders are cautioned to make no assumptions unless their bid has been evaluated as being responsive. All awards made as a result of this ITB shall conform to applicable Florida Statutes.

CONDITIONED AWARD

The award of this bid shall depend upon the meeting of the specified requirements, price, quality, delivery date, and suitability for the intended purpose of the University. The University reserves the right to solely determine acceptance of item(s) as an acceptable alternate and to award to an individual vendor or multiple vendors in order to obtain the best cost and service.

IDENTICAL TIE RESPONSES

Whenever two or more responses, which are equal with respect to price, quality, and service are received, preference will be given as follows:

Failure to timely file a Notice of Intent to Protest within 72 hours of the university’s posting of the notice of decision or intended decision being protested shall constitute a waiver of the right to protest proceedings related to that decision or intended decision.

Except for defaults of subcontractors, the Respondent shall not be liable
for any excess costs if the failure to perform the contract arises from cause beyond the control and without the fault or negligence of the Respondent.

**ASSIGNMENT**

Any Purchase Order or contract issued pursuant to this ITB and any contract amounts, which may become due hereunder, are not assignable except with the prior written approval of the University.

**ADVERTISING**

In submitting a bid, bidder agrees not to use the results therefrom as a part of any commercial advertising.

In the event any governmental restrictions may be imposed which would necessitate alteration of the material, quality, workmanship or performance of the items offered in this bid prior to completion or delivery, it shall be responsibility of the bidder to notify the Office of Procurement and Contracts in writing at once, stating the specific regulation which requires an alteration. The University reserves the right to accept any such alteration, including any price adjustments occasioned thereby, or to cancel the contract at no further expense to the University.

Invoices returned to a vendor due to preparation errors will result in a payment delay. Invoice payment requirements do not start until a properly completed invoice is provided to the University. Invoices received from vendors who have failed to supply the University with a complete and accurate W-9, will be deemed insufficient for payment until such information has been provided. A Vendor Ombudsman, whose duties include acting as an advocate for vendors who may be experiencing problems in obtaining timely payment(s) from the University, may be contacted at (850) 474-2636.

Further, if such a claim is made or is pending, the bidder may, at its options and expense, procure for the University the right to continue use of, replace or modify the article to render it non-infringing. If none of the alternatives are reasonably available, the University agrees to return the article on request to the bidder and receive reimbursement, if any, as may be determined by a court of competent jurisdiction. If the bidder uses any design, device, materials, or services covered by letters, patent or copyright, it is mutually agreed and understood without exception that the bid prices shall include all royalties or costs arising from the use of such design, device, materials, or services in any way involved in the work.

In consideration of the mutual promises contained herein, the University and Contractor agree as follows:

ARTICLE 1 – GOVERNING LAW
This Agreement is governed by the laws of the state of Florida and any provisions herein, in conflict therewith, shall be void and of no effect. Venue for all actions or proceedings arising in connection with this Agreement shall be tried and litigated exclusively in the state or federal (if permitted by law and a party elects to file an action in federal court) courts located in Escambia County, Florida. This choice of venue is intended by the parties to be mandatory. Each party waives any right it may have to assert the doctrine of forum non conveniens or similar doctrine or to object to venue with respect to any proceeding brought in accordance with this Section. The federal or state courts of the State of Florida shall have exclusive jurisdiction of any claims arising out of this Agreement.

ARTICLE 2 – SERVICES & TERM
The Contractor’s responsibility under this Agreement is to provide Rental Bleacher Services as more specifically set forth in formal solicitation number 15ITBT-02BP (the “ITB”), Contractor’s response to formal solicitation number 15ITBT-02BP (the “Response”), and the Scope of Services detailed in “Exhibit A”. C. All requests for payment will be submitted in sufficient detail for a proper pre-audit and post-audit thereof.

D. In order for both parties herein to close their books and records, the Contractor will clearly state “final invoice” on the Contractor’s final/last billing to the University. This certifies that all services have been properly performed and all charges and costs have been invoiced to University. Since this account will thereupon be closed, any and all further charges if not properly included on this final invoice are waived by the Contractor.

E. All payments are to be made in accordance with UWF Board of Trustees Prompt Payment Policy. A Vendor Ombudsman has been established within the University of West Florida. The said rates and costs shall be adjusted to exclude any significant sums should the University determine that the rates and costs were increased due to inaccurate, incomplete, or non-current wage rates or due to inaccurate representations of fees paid to outside Contractors. The University shall exercise its rights under this "Certificate" within one (1) year following final payment.

ARTICLE 5 – TERMINATION

Termination without Cause

The University may terminate the Agreement without cause by giving written notice to the other party within 30 days. Each party will continue and fulfill its obligations already underway at the effective date of the cancellation.

Termination for Cause

The Contractor will have 10 days from receipt of notice to correct the deficiency. If the deficiency is not corrected within the 10 day allotted period, then the University may terminate the Agreement by providing 10 days written notice of termination to the Contractor. Termination for cause shall not relieve either party of the responsibility of discharging its duties already begun.

The University shall be reimbursed by the Contractor for paid services that the University did not or will not receive from the Contractor. After receipt of a Termination Notice and except as otherwise directed by the University the Contractor shall:

employees of or have any contractual relationship with the University.

All of the services required herein shall be performed by the Contractor or under its supervision, and all personnel engaged in performing the services shall be fully qualified and, if required, authorized or permitted under state and local law to perform such services.

Any changes or substitutions of the Contractor’s key personnel as may be listed herein must be made known to the University’s representative prior to execution, and written approval granted by the University before said change or substitution can become effective.

The Contractor warrants that skilled and competent personnel to the highest professional standards in the field shall perform all services.

**ARTICLE 7 – SUBCONTRACTING**

The University reserves the right to accept in writing the use of a Sub-Contractor or to reject the selection of a particular Sub-Contractor and to inspect all facilities of any Sub-Contractor in order to make a determination as to the capability of the Sub-Contractor to perform properly under this Agreement. The Contractor is encouraged to seek minority and women business enterprises for participation in subcontracting opportunities. If a Sub-Contractor fails to perform or make progress, as required by this Agreement, and it is necessary to replace the Sub-Contractor to complete the work in a timely fashion, the Contractor shall promptly do so, subject to written acceptance of the new Sub-Contractor by the University.

**ARTICLE 8 – TAXES**

The University is exempt from the payment of all Federal Tax and State Tax for sales, use or excise taxes. The Contractor shall pay all personal property taxes on leased equipment and all taxes based upon net income. The University will furnish an exemption certificate as appropriate to the Contractor. The Contractor shall not be exempted from paying sales tax to their suppliers for materials to fulfill contractual obligations with the University, nor shall the Contractor be authorized to use the University’s Tax Exemption Number in securing such materials. The Contractor shall be responsible for payment of its own and its share of FICA and Social Security benefits with respects to this Agreement.

**ARTICLE 9 – AVAILABILITY OF FUNDS**

The University’s performance and obligation to pay under this Agreement is contingent upon an annual appropriation for its purpose by the State and/or the University. The University shall give notice to Contractor of the non-availability of such funds when the University has knowledge thereof. Upon the Contractor's receipt of such notice, the Contractor is entitled to payment for only those services performed prior to the date notice is received.

Certificate must list the following entities as certificate holder and additional insured: The State of Florida, Florida Board of Governors, University of West Florida Board of Trustees and The University of West Florida.
C. Compliance with the foregoing requirements shall not relieve the Contractor of its liability and obligations under this Agreement.

D. Contractor shall maintain, during the term of this Agreement, coverages and requirements in accordance with the University’s Minimum Insurance Coverage and Requirements.

ARTICLE 11 – INDEMNIFICATION

The Contractor agrees to indemnify and hold harmless, assume liability for and defend, the University, the State of Florida, the Florida Board of Education, the University of West Florida Board of Trustees and their officers, employees, and agents, from and against any and all actions, claims, liabilities, assertions of liability, losses, costs and expenses, which in any manner arise or are alleged to have arisen, from the acts, omissions or wrongful conduct of Contractor or Contractor’s officers, employees, agents, guests, patrons, licensees, invitees or sub-Contractor in connection with or related to their operations, activities, occupancy or use of the facilities or property of the University in connection with the performance of this Agreement.

The Contractor shall construe nothing in this Agreement as an indemnification of the Contractor. The University warrants and represents that as a sovereign entity, it is self-insured. Contractor and University agree that nothing contained herein shall be construed or interpreted as (a) the consent of the University or the State of Florida or its agents and agencies to be sued; or (b) a waiver of sovereign immunity of the University or the State of Florida.

ARTICLE 12 – SUCCESSORS AND ASSIGNS

The University and the Contractor each binds itself and its partners, successors, executors, administrators, and assigns to the other party of this Agreement and to the partners, successors, executors, administrators and assigns of such other party, in respect to all covenants of this Agreement. Except as above, neither the University nor the Contractor shall assign any right or delegate any duties hereunder nor may it transfer, pledge, surrender, or otherwise encumber or dispose of its interest in any portion of this Agreement without the written consent of the other. Nothing herein shall be construed as creating any personal liability on the part of any officer or agent of the University, which may be a party hereto, nor shall it be construed as giving any rights or benefits hereunder to anyone other than the University and the Contractor.

ARTICLE 13 – AFFIRMATIVE ACTION & ADA

As a condition of this Agreement, the Contractor agrees to comply with Section 202, Executive Order 11246, as amended by Executive Order 11375, and regulations published by the U.S. Department of Labor implementing Section 503 of the Rehabilitation Act of 1973, Public Law 93-112, as amended, which are incorporated herein by reference.

The Contractor agrees to comply with the Americans with Disability Act (ADA) of 1990.

ARTICLE 14 – UNIFORM COMMERCIAL CODE

The Uniform Commercial Code shall prevail as the basis for contractual obligations between the Contractor and the University for any terms and conditions not specifically stated in this Agreement.

ARTICLE 15 – CONFLICT OF INTEREST

In accordance with Section 112.3185, Florida Statutes, the Contractor hereby certifies that to the best of its knowledge and belief no individual employed by it or subcontracted by it has an immediate relation to any employee of the University who was directly or indirectly involved in the procurement of said services and would conflict in any manner with the performance of services required hereunder. Violation of this section by Contractor shall be grounds for cancellation of this Agreement by the University.
The Contractor shall promptly notify the University in writing of all potential conflicts of interest for any prospective business association, interest or other circumstance, which may influence or appear to influence the Contractor’s judgment or quality of services being provided hereunder. Such written notification shall identify the prospective business association, interest or circumstance, the nature of work that the Contractor may undertake and request an opinion of the University as to whether the association, interest or circumstance would, in the opinion of the University, constitute a conflict of interest if entered into by the Contractor. The University agrees to notify the Contractor of its opinion in writing within 30 days of receipt of notification by the Contractor. If, in the opinion of the University, the prospective business association, interest or circumstance would not constitute a conflict of interest by the Contractor, the University shall so state in the notification and the Contractor shall, at its option, enter into said association, interest or circumstance and it shall be deemed not in conflict of interest with respect to services provided to the University by the Contractor under the terms of this Agreement.

ARTICLE 16 – FORCE MAJEURE/EXCUSABLE DELAYS

The Contractor shall not be considered in default by reason of any failure in performance if such failure arises out of causes reasonably beyond the Contractor’s control and without its fault or negligence. Such causes may include, but are not limited to: acts of God; the University’s failures; natural or public health emergencies; labor disputes; freight embargoes; and severe weather conditions.

Upon the Contractor’s request, the University shall consider the facts and extent of any failure to perform the work and, if the Contractor’s failure to perform was without its or its sub-Contractor’s fault or negligence, the Agreement Schedule and/ or any other affected provision of this Agreement shall be revised accordingly; subject to the University’s rights to change, terminate, or stop any or all of the work at any time.

ARTICLE 17 – ARREARS

The Contractor shall not pledge the University’s credit or make it a guarantor of payment or surety for any contract, debt, obligation, judgment, lien, or any form of indebtedness. The Contractor further warrants and represents that it has no obligation or indebtedness that would impair its ability to fulfill the terms of this Agreement.

ARTICLE 18 – PUBLIC RECORDS

This Agreement is subject to the requirements of Chapter 119, Florida Statutes (Public Records Law). UWF may unilaterally cancel this Agreement for refusal by Contractor to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received in conjunction with this Agreement.

Further, Contractor agrees that, to the extent it may meet the definition of a “contractor” within the meaning of Section 119.0701, Florida Statutes, it will:

A. Keep and maintain public records that ordinarily and necessarily would be required by UWF in order to perform the services performed by Contractor under the Agreement.

B. Provide the public with access to such public records on the same terms and conditions that UWF would provide the records and at a cost that does not exceed that provided in Chapter 119, Florida Statutes, or as otherwise provided by law.

C. Ensure that public records that are exempt or that are confidential and exempt from public record requirements are not disclosed except as authorized by law.

D. Meet all requirements for retaining public records and transfer to UWF, at no cost, all public records in possession of Contractor upon termination of this Agreement and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to UWF in a format that is compatible with the information technology systems of UWF.

E. The failure of Contractor to comply with the provisions set forth in this (Section)( Paragraph) shall constitute a default and breach of this Agreement and UWF shall enforce the default in accordance with the provisions set forth herein.
ARTICLE 19 – INDEPENDENT CONTRACTOR RELATIONSHIP

The Contractor is, and shall be, in the performance of all work, services, and activities under this Agreement, an Independent Contractor, and not an employee, agent, or representative of the University. All persons engaged in any of the work or services performed pursuant to this Agreement shall at all times, and in all places, be subject to the Contractor’s sole direction, supervision, and control. The Contractor shall exercise control over the means and manner in which it and its employees perform the work, and in all respects the Contractor's relationship and the relationship of its employees to the University shall be that of an Independent Contractor and not as employees or agents of the University.

The Contractor does not have the power or authority to bind the University in any promise, agreement, or representation other than specifically provided for in this agreement.

ARTICLE 20 – CONTINGENT FEES
