Motioned by: Michael Cochran
Seconded by: Lauren Greska

Motion passed unanimously.

4. Treasury Report

Staff Senate Treasurer Michael Cochran noted a possible need for updating how funds are requested for holiday celebrations in the future with the move to a HolidayFest event for the Pensacola campuses and wanting to fund celebrations at other campus locations.

Q: Would Staff Senate request more funds for other areas if the funds for the main HolidayFest event were set aside outside of the Staff Senate budget?
A: Funds requested for Holiday Fest were spent. Staff Senate will need to review how the budget for 2018-2019 is requested.

5. Supervisor of Elections
Supervisor of Elections Jackie French reviewed vacant positions and upcoming openings. Current vacancies for two senators for Building 960 and for Buildings 4 and 36. These positions are confirmed unable to fill from staff within the buildings. Police are still represented by Lauren Greska until the new Chief is hired or a Police staff member is available. The Supervisor of Elections Executive Board seat will be open at the end of the current term. New term would begin in July 2018.

Continuing Action Item: All Senators rolling off in June 2018 should follow up with their buildings to help find a possible replacement. Nominations for upcoming vacancies for senators and E-Board positions should be submitted to Jackie French before the May 2018 Staff Senate Meeting. Voting for vacancies will take place at the June Meeting.

6. Committee Reports
Textbook Scholarship – Deb Cluff
The process of review worked well for Spring 2018. Summer scholarships will be offered. The Day of Giving, April 19 during Founder’s Week, is an opportunity to encourage colleagues to donate to the fund.

Staff Senate President asked about the chair position for the coming year. Deb Cluff is willing to continue to serve as Textbook Scholarship Committee chair pending approval for continued service as Senator for Emerald Coast Campus.

ERAP – Sara Brake
Planning going well. Expect to receive final names of Nautilus Excellence Award (NEA) recipients this week. Utilizing some funds from budget to purchase additional items for door prizes. Additional support to prepare for the event and for the day of the event will be greatly appreciated.

Senators discussed the award selection process and questions on decisions if the committee is unable to select. Jamie Sprague noted the process defined for the NEA is the process used to select awardees. (Committee Process is posted at https://uwf.edu/offices/human-resources/i-am-a/employee/erap/).

Senators had questions on notification of nominees and winners. HR noted supervisors of recipients are notified so they may encourage awardees to attend the ceremony.

University Risk and Compliance Council – Sara Brake
There is an updated process on verifying background checks for contractors on campus. General Counsel is working on more stringent language in contracts with
vendors. The new fire marshal is known to be very strict to regulations. The Fire Marshal is making the rounds inspecting all of the campus buildings. Updates are coming on Micropurchases for items such as equipment for funded research. The UWF Integrity Helpline has received 23 reports since its launch in 2017. 17 were referred to HR for follow up. UWF Policies are under review to update language to follow SUS, BOG, State of Florida and Federal updates. Sara Brake will work on the Campus Heat Matrix team to identify recurring and potential risk areas for UWF. This is an annual process.

7. New Business

Staff Senate Secretary Sara Brake reviewed the new form for agenda item submission. The form was sent with the minutes and agenda for this meeting.

Meeting location reminders for April and May: Due to construction in building 12, Staff Senate Meetings are moved to Argonaut Athletic Club, usual day and time. Deb Cluff offered Emerald Coast as a possible alternative meeting locations for future meetings pending verification of date and space availability. Michael Cochran noted he would look into availability to transport staff from Main campus to Emerald Coast if a meeting is scheduled there.

8. Old Business

Secretary Brake reviewed the Supervisor Evaluations Topic from previous meetings. Based on feedback from administration, there is no formal process in place. The question to Staff Senate is would the group like to submit a letter to the Cabinet requesting further review of the topic? Discussion among senators noted further discussion before issuing a letter. Further feedback from constituents may be needed. HR noted 360 evaluations are helpful when used, but they are not required at UWF. Perceived lack of consistency in the evaluation process was addressed: While the evaluation process for employees is not mandatory, less than 30 employees were not evaluated in 2017. Employees with outdated or no evaluation are marked as Satisfactory in relation to requirements for bonus or other compensation benefit tied to evaluations. Jamie Sprague noted the UWF policy on evaluations is up for review and she is available to discuss the topic and possible options for supervisor evaluation with Staff Senate Executive Board.

Sara Brake Motioned to table the discussion of the letter regarding supervisor evaluations in favor of follow up with HR on options and the evaluations policy. Seconded: Michael Cochran
Motion passed.

Action Item: E-Board to set a meeting for future date with Jamie Sprague in HR to further discuss the topic.

Staff Senate will help man the Day of Giving table at the Commons on April 19th. Volunteers will be needed from 11 am to 1 pm. Day of Giving will close with a fundraiser opportunity at Miller’s Ale House. Staff Senate plans to meet there for a social at 5:30 on April 19th; 10% of each check goes back to UWF.

Remember to follow up on Dependent Verification. More information was in recent @UWF newsletter and on the MyBenefits website.
