University of West Florida Regulations
UWF/REG-6.0058 Contracts.

(1) Contracts for commodities or contractual services or licenses shall consist of a purchase order or bilateral
agreement signed by the University officials designated by Presidential authority prior to the goods or services being
rendered by the contractor.

(2) Any contract for the purchase of services or tangible personal property for a period in excess of one fiscal year
shall include the following statement: “The State of Florida’s and University’s performance and obligation to pay
under this contract is contingent upon an annual appropriation by the Legislature.”

price for the initial term plus all renewal costs. All contract renewals are subject to sufficient annual appropriations
and a renewal shall be signed by both parties prior to the expiration of the initial contract.

(5) The University may enter into deferred payment agreements utilizing the State of Florida Controller’s
Consolidated Equipment Financing Program or other financing program when deemed in the best interest of the
University.

(6) In order to promote cost-effective procurement of commodities, contractual services or licenses the University
