

UWF Spring Grant Writing Workshop

Saturday, 8:30am – 11:30am

February 14, March 14, and April 11, 2009

Participants will learn the skills and knowledge necessary to access, write, and submit grant proposals to private, state, and federal funding sources. The intended outcome of this workshop is for faculty, teachers, and instructors to be able to apply for grants to supplement their own research, teaching, and learning interests. As part of the workshop, participants will complete a grant application for submission through the UWF Grants Office. In addition to these three Saturday sessions, the instructor will provide individual appointments for students needing assistance in completing a grant proposal for submission.

Cost: \$300

Location: UWF Pensacola Campus, Building 86, CORAL Center (Room 112)
