This is a competitive fee waiver program. The information you provide will assist us in selecting those eligible for the fee waiver. Filling out this application does not guarantee that you will receive a fee waiver.

Project Access will pay for two courses per semester, 6 courses per year. A grade of "B-" or better in any course will earn an additional \$75 book award for the following semester's course. Funding is entirely dependent upon the availability of federal grant funds and is never guaranteed from year to year.

Applications will be reviewed in the order received. Applicants will be contacted regarding the status of their application.

Funding for this project was provided by the Florida Department of Education, Professional Development Partnership, and was made possible by a grant from the U.S. Department of Education, Office of Special Education Programs.
