

UWF-PDP Teacher Program Agreement

Please read the agreement carefully. After you review, please sign and date the Agreement. A copy of the agreement must be submitted with your application or your application will be considered incomplete.

I, _____, have read, understand, and agree to the following terms and conditions:

(print)

1. I will not apply for any other reimbursement or scholarships for courses supported by UWF-PDP. I will register no later than two weeks before the beginning of class and notify UWF-PDP when registration has occurred. Failure to do so may result in loss of funding for that semester.
2. I understand that only tuition will be paid. All other associated costs (i.e. child-care, transportation, books) will be my responsibility.
3. I agree to pay all required fees; application/admissions, health fees, parking and any other non-tuition related university fees.
4. I understand that I must maintain a 2.5 grade point average (GPA) to remain eligible for funding. If my GPA falls below a 2.5 I will be placed on probation for one semester. Failure to raise my GPA will result in dismissal from the program. Any course in which a "D+" or below is earned will be retaken at my expense.
5. I understand that I must register within the allotted time schedule of each semester and notify UWF-PDP of my schedule. UWF-PDP will not be responsible for late registration charges.
5. I understand that for valid personal or professional reasons I may withdraw from one UWF-PDP funded course with permission without penalty, and will be able to continue to receive tuition funding.
6. I agree to obtain an email address and to develop basic computer literacy. I understand that the program is committed to technology enhanced courses.
7. I agree to comply with all the rules and regulations set forth in the UWF catalog or forfeit eligibility.
8. I understand that UWF-PDP only pays the rate of in-state tuition fees.
9. I understand that UWF-PDP only pays for up to three courses per semester unless an exception is granted by the Project Coordinator.
10. I understand that I must work as an ESE teacher in the state of Florida for 2 years for every 1 year of funding received. Failure to do so may make me liable for a pro-rated

repayment of tuition funds. Exception will be made for military deployment.

11. Upon invitation, I agree to participate in all UWF-PDP Project Evaluation, Needs Assessment, Course Evaluation, Program Evaluation and/or other activity as requested, and participate in supplementary training events.
12. I understand that I am expected to negotiate directly with the school district regarding release time for fieldwork and student teaching requirements.
