

# MENTOR AWARD

## **Mentor: An experienced and trusted counselor**

(Oxford English Dictionary)

Mentoring is a structured and trusting relation that brings younger professionals or students in contact with experienced faculty members or other professional psychologists who offer guidance, support, and encouragement aimed at developing the knowledge, professional skills, competencies, and character of the younger person. SEPA recognizes the importance of the mentoring relation as a vital one in the development of psychology graduates and students at all levels. In 2004, SEPA established a Mentor Award with the support of the Education Directorate of the American Psychological Association (APA) and presented the cash award for the first time. The Mentor Award Committee is comprised of the President and President-Elect of the SEPA, and the previous recipient. This award will be presented at the Award Reception during the Convention.

2004 – Mike Rulon of Covenant College, Lookout Mountain, Georgia
