The Legal Studies program offers an alternative to law school for those who wish to work in the legal field in a capacity other than that of an attorney, primarily as a paralegal (traditional or nontraditional). Two specializations are available to students seeking the B.A. in Legal Studies. No previous legal/paralegal course work is required to enter the program. The Professional Specialization is for students who desire to pursue a career in the legal field in a capacity other than that of an attorney, primarily as a paralegal (traditional or nontraditional). The Pre-Law Specialization curriculum is for students who have a desire to attend law school but who also want to be able to work as a paralegal/legal assistant. Contact the division for additional information concerning the post-baccalaureate certificate.

PROGRAM REQUIREMENTS

In addition to general University requirements, students seeking the B.A. in Legal Studies must meet the requirements listed below. A grade of "C" is required for all courses listed as core courses. It is recommended that students have completed at least one or two legal courses before attempting PLA 3103-Legal Research and Writing. Also note that PLA 4263 must be successfully completed before taking PLA 4204 (Civil Procedure). Any course substitutions for specifically listed courses must be approved in writing, in advance by a Legal Studies Faculty member. All Legal Studies majors must successfully complete PLA 4155 notwithstanding any prior course work in legal research and writing at any other institution. All PLA courses presume competency and experience with word processing, spreadsheets, databases, e-mail and Internet. If you do not have experience in these areas, it is suggested that you complete CGS 2570 prior to taking any PLA courses.

General Studies (36 sh)

Legal Studies majors should take PLA 2013 to fulfill the socio-political component and PHI 2603 to meet the contemporary values and expressions component of General Studies. Legal Studies students planning to take the LSAT should take PHI2100 to meet the contemporary values and expressions component of General Studies. For additional information see the General Studies section of this Catalog.

Common Prerequisites (0 sh)

Lower Division Electives (24 sh)

Students must complete sufficient 1000/2000 level electives to complete at least 60 semester hours in the lower division. Current UWF students may use elective courses at any level (1000-4000) to meet this elective requirement.

Recommended electives include PLA 2013 and PHI 2603 if not taken as part of the General Studies Program.

It is strongly recommended that Legal Studies Professional students take advantage of courses that will strengthen their skills with spreadsheets, databases, and accounting as lower or upper division electives.

It is strongly recommended that Pre-Law students take advantage of courses that will strengthen their communication skills when possible.
