The Dean of Students Office is a part of the Division of Student Affairs that serves as an important resource for our students, families, administrators, and faculty members.

The Dean of Students role is to support both the academic mission for the University of West Florida and the Division of Student Affairs by providing services, resources, programs, and advocacy that address the needs of all UWF students.

The professional and support staff provide educational opportunities for students to develop appropriate community behaviors and personal values while also providing support to students and families with personal or University concerns.

The Dean of Students Office consists of the following units/ functions:
Office of Students Rights & Responsibilities (academic & behavioral misconduct)
