Chula King will serve as the sole chair for the Intellectual Property work group. Kimberly McCorkle will no longer be a member of the Intellectual Property work group but will serve as an academic liaison, per a memo distributed on May 1, 2019. Chula King opened the meeting with discussion of the Electronic Courseware Addendum. She went through the Electronic Courseware Addendum section by section while committee members had the opportunity to suggest revisions and additions to the verbiage. There was further discussion about appreciable university support and about the difference between instructional work and electronic

courseware in regard to the addendum. The committee agreed to continue to meet over the summer at least once a month.

Meeting Concluded: 2:50 p.m.

Minutes approved on 7/11/19.
