

Not-for-Profit Administration

Student Learning Outcomes

Upon completion of the graduate certificate in Not-for-Profit Administration, the graduate will be able to do the following:

1. Analyze the field of nonprofit organizations from a management perspective
2. Apply generally accepted accounting principles and evaluation techniques to not-for-profit organizations
3. Analyze the rationale and methods of strategic management applied to the planning processes of public and nonprofit organizations
4. Examine various budgeting systems and the political processes and environment that impact them
