

Date: 12/18/2019

Program Name: BS Health Sciences

CIP Code: 51.0701

Department: Health Sci & Admin

		Year 1	Year 2	Year 3	Year 4	Year 5
Domain	Program-Level Student Learning Outcome (From ALC or ALP)	2019-2020	2020-2021	2021-2022	2022-2023	2023-2024
Content	Identify and apply the concepts, principles, and theories that constitute the health sciences.	1. Course: All major courses Measure: Questions from objective based exams 1.a) Gather data 1.b) Reflect on findings	1. Course: All major courses Measure: Questions from objective based exams 1.c) Implement actions 1.d) Gather impact data	1. Course: All major courses Measure: Questions from objective based exams 1.a) Gather data 1.b) Reflect on findings	1. Course: All major courses Measure: Questions from objective based exams 1.c) Implement actions 1.d) Gather impact data	1. Course: All major courses Measure: Questions from objective based exams 1.a) Gather data 1.b) Reflect on findings
Communication	Employ effective and professional communication in the health sciences.	2. Course: HSC4050 Measure: Capstone Project 2.a) Gather data 2.b) Reflect on findings	2. Course: HSC4050 Measure: Capstone Project 2.c) Implement actions 2.d) Gather impact data	2. Course: HSC4050 Measure: Capstone Project 2.a) Gather data 2.b) Reflect on findings	2. Course: HSC4050 Measure: Capstone Project 2.c) Implement actions 2.d) Gather impact data	2. Course: HSC4050 Measure: Capstone Project 2.a) Gather data 2.b) Reflect on findings
Critical Thinking	Apply appropriate methods to solve problems in the health sciences.	2. Course: HSC4050 Measure: Capstone Project 2.a) Gather data 2.b) Reflect on findings	2. Course: HSC4050 Measure: Capstone Project 2.c) Implement actions 2.d) Gather impact data	2. Course: HSC4050 Measure: Capstone Project 2.a) Gather data 2.b) Reflect on findings	2. Course: HSC4050 Measure: Capstone Project 2.c) Implement actions 2.d) Gather impact data	2. Course: HSC4050 Measure: Capstone Project 2.a) Gather data 2.b) Reflect on findings
Integrity / Values	Independently assess how ethical standards influence professional behaviors in health settings	2. Course: HSC4050 Measure: Industry Certificate 2.a) Gather data 2.b) Reflect on findings	2. Course: HSC4050 Measure: Industry certificate 2.c) Implement actions 2.d) Gather impact data	2. Course: HSC4050 Measure: Industry Certificate 2.a) Gather data 2.b) Reflect on findings	2. Course: HSC4050 Measure: Industry certificate 2.c) Implement actions 2.d) Gather impact data	2. Course: HSC4050 Measure: Industry Certificate 2.a) Gather data 2.b) Reflect on findings
Project Management	Collaborate effectively with others on team projects.			2. Course: BUL4602 Measure: Project 2.a) Gather data 2.b) Reflect on findings	2. Course: BUL4602 Measure: Project 2.c) Implement actions 2.d) Gather impact data	2. Course: BUL4602 Measure: Project 2.a) Gather data 2.b) Reflect on findings
