

2015	Research Procedures	Research Seminars	EX SCI Statistics	Advanced Exercise Physiology	Applied Physiology in Muscular Strength Development	Clinical Exercise Testing & Interpretation	Applied Motor Learning/Control	Preventive Health in the Aging Population	Cardiac Electrophysiology	Advanced Human Nutrition and Metabolism	Analysis of Human Movement	Thesis	Internship
	HLP 6535	HLP 6595	APK 5999	APK 6111C	APK 5389C	APK 6127C	APK 5204	APK 5601	APK 6990C	APK 6167C	APK 6226	HLP 6971	HLP 6949

**Content**

SLO 1 - Evaluate and apply concepts and principles related to Exercise Science for implication in human development and performance													
---	--	--	--	--	--	--	--	--	--	--	--	--	--

**Critical Thinking**

SLO 1 - • Design and conduct original research to solve problems related to Exercise Science													
--	--	--	--	--	--	--	--	--	--	--	--	--	--

SLO 2 - • Critically evaluate research related to Exercise Science													
--	--	--	--	--	--	--	--	--	--	--	--	--	--

**Communication**
