

September 30, 2022 REV Program Name: <b>Physical Education 5-Year Assessment Plan</b>		Program Code: <b>31.0501</b>		CIP Code: <b>050501</b>		Department of Movement Science	
		<b>Year 1</b>	<b>Year 2</b>	<b>Year 3</b>	<b>Year 4</b>		
<b>Program-Level Student Learning Outcome (From ALC or ALP)</b>		<b>2023-2024</b>	<b>2024-2025</b>	<b>2025-2026</b>	<b>2026-2027</b>		
	<b>1.1 Identify and apply concepts and principles of exercise, fitness and sport coaching, wellness, and teaching.</b>	PET 4434 (Gather baseline data)	Reflection on and Use of Findings	PET 4820 (Follow-up assessment)	Reflection on and Use of Findings		
	<b>1.2 Demonstrate professional knowledge of current trends, developments, guidelines, recommendations, and research in the field.</b>			PET 3344c (Gather baseline data)	Reflection on and Use of Findings		
	<b>1.3 Analyze behavioral strategies to enhance exercise, health and athletic behavior change (e.g., reinforcement, goal setting, and social support).</b>		PET 4765 (Gather baseline data)	Reflection on and Use of Findings	(Follow-up assessment)		
ng	<b>2.1 Identify and use relevant data/information as a tool to develop and prioritize interventions (e.g., policies, promote physical activity, sport performance).</b>	Sport Performance Analytics (Gather baseline data)	Reflection on and Use of Findings	PET 4820 (Gather baseline data)	Reflection on and Use of Findings		
ng	<b>2.2 Evaluate athletic/sport skills and abilities in order to provide instructive feedback and guidance.</b>		PET 4801 (Gather baseline data)	Reflection on and Use of Findings	(Follow-up assessment)		
on	<b>3.1 Combine oral and written scientifically sound health and fitness related information to enhance participants' knowledge, enjoyment, and adherence to physical activity behaviors.</b>	Intro to Sport Performance (Gather baseline data)	Reflection on and Use of Findings	PET 4940 (Gather baseline data)	Reflection on and Use of Findings		
on	<b>3.2 Illustrate effective coaching communication, including active listening, cueing, monitoring, and providing constructive feedback</b>		PET 3344C (Gather baseline data)	Reflection on and Use of Findings	PET 4820 (Gather baseline data)	Ref U	

ues	<b>4.1 Demonstrate healthy lifestyle practices in order to be a professional role model.</b>			(Gather baseline data) PET 4940 Site Supervisor Evaluation	(Reflection on and Use of Findings)	a
ues	<b>4.2 Describe and adhere to relevant professional and ethical standards.</b>		(Gather baseline data) PET 4940 Site Supervisor Evaluation	(Reflection on and Use of Findings)	(Follow-up assessment)
