Florida Educator Accomplished Practices (FEAPs)

The Florida Educator Accomplished Practices (FEAP) serve as Florida's expectations for effective educators, providing guidance on what educators are expected to know and be able to do. These practices form the foundation for instructional personnel evaluation and professional learning systems, educator preparation programs and educator certification requirements.

Professional	Indicators	Professional	Indicators
Standards		Standards	
I. Instructional	Aligns instruction to established state	IV. Assessing	Uses many sources of data to diagnose needs and alter instruction based on student responses Formative and summative assessment aligns to learning targets
Planning	standards taking into consideration varying	Learning	
FEAPs:	aspects of rigor and complexity	FEAPs:	
4. In atmostic well	Sequences lessons and concepts to ensure		Uses a variety of assessments to monitor student
1: Instructional Design & Lesson Planning	coherence and required prior knowledge		progress/ learning gains/engagement Modifies assessments, testing conditions, and
	Instruction is designed so students can		pace to accommodate student needs
	achieve mastery		Shares assessment data and its importance with
	Selects appropriate formative assessments to		students/parents
	monitor learning		Uses technology to facilitate the use of assessment data
	Uses diagnostic student data to evaluate		Maintains a supportive tone and approach when
	learning and adjust plans when needed		probing students
	Develops learning experiences that require		Provides opportunities for students to talk about
	students to demonstrate a variety of		themselves and their learning
	applicable skills and competencies		
II. Supportive	Organizes, allocates, and manages the	V. Continuous	Sets goals to strengthen effectiveness of lessons
Environment	resources of time, space, and attention Manages individual and class behaviors through	Improvement	and units based on student needs Uses data rich research to identify and evaluate
FEAPs:	a well-planned management system Conveys high expectations to ALL students	FEAPs:	pedagogical strengths and weaknesses, to improve instructional strategies/achievement
2: The Learning	Respects students' cultural linguistic and family	5: Continuous	Collaborates with home, school, and community to foster communication and support learning
Environment	background Models clear, acceptable oral and written	Professional	Targets professional growth opportunities and reflective practices Implements skills learned for teaching/learning
	communication skills Maintains a climate of openness, inquiry,	Development	

III. Delivering Content FEAPs: 3: Instructional Delivery & Facilitation	fairness, and support Integrates current information and communication technologies Adapts the learning environment to accommodate the differing needs and diversity of students Uses assistive technologies as needed that enable students to participate in high-quality communication interactions and achieve their educational goals Creates a classroom environment where students can demonstrate Delivers engaging and challenging lessons Deepen and enrich students' understanding through content area literacy strategies, verbalization of thought, and application of the subject matter Identifies gaps in subject matter knowledge Modifies instruction to respond to preconceptions or misconceptions Relate and integrate the subject matter with other disciplines and life experiences Employ questioning that promotes critical thinking Uses a variety of instructional tasks, resources and technology for students to record and represent knowledge Differentiates instruction based on needs / individual differences Encourages and provides immediate and specific feedback. Utilizes feedback to monitor student needs and reasoning and adjusts instruction	VI. Professional Commitment FEAPs: 6: Professional Responsibility & Ethical Conduct	Understands that educators are held to a high moral standard Adheres to Code of Ethics and Principles of Professional Conduct Fulfills expected obligations to and positively interacts with students/ parents/colleagues Seeks mentorship for areas of need or interest Mentors other teachers and/or shares ideas and strategies
