Clinical Experience Log for Non-Full-Time Teachers

Teacher Candidate: Please record all hours that you spend in your mentor's classroom. Your mentor must sign off on all logged hours. This document must be uploaded into the Clinical Experience Lesson *Dropbox* prior to Intensive Lesson 8 enrollment request. You may print more pages if necessary.

Please Note: Even if you complete your required clinical experience hours early, you must continue participating in clinical experiences throughout the program until you have completed Intensive Lesson 7. In addition, your **Culminating Week** (student teaching) cannot begin until you have been granted enrollment in **Intensive Lesson 8**.
