Welcome to UWF Sport Clubs

“Last year, Dance Club gave me the opportunity to compete for the first time ever. With that opportunity, I was able to win first place twice. So with that, it gave me the extra boost of confidence that I needed in the career I love.”

“So I’ve been in the Fencing Club for about a year and I’m already really close with everyone here. It’s a... it’s not just a club. It’s really more of a family.”

A family....

Where we can laugh....

Learn new ways to express ourselves....

New ways to get active....

Exploring the team dynamic....

While facing new challenges....

Forming the bonds....

That make us proud....

To be Argos....

Pushing the boundaries....

While we explore....

Demonstrate our willpower....

Participate in conservation....

Adventure....

Leadership....

All while exploring something new....

An experience best shared....

Being a part of something more....

A group of students in the Blue Studio of the HLS Facility

"Who are we, Argonettes! Who are we, Argonettes! Let's go U Dub!"

A new year brings new opportunity and looking back we could not  
be more proud

Of the students....

And leaders....

Who....

Brought us....

To where we are now....
