

The University of West Florida Student Government Association
Endorsement of Electric Vehicle Project

Resolution: 13-14 RS2

Author: Student Body President Christopher Hill
Chief of Staff Carlos Sosa

Sponsors: Senator Anhar Ibrahim
Senator Kimberley Stoker

WHEREAS, The University of West Florida values Collaboration and Innovation, and must commit to these values by allowing students to interact with the community by using innovative products, and;

WHEREAS, The electric vehicle program (EVP) is “designed to reduce foreign and domestic dependency on fossil fuel, lower CO₂, Methane and other Greenhouse gasses’ and ultimately help protect the planet for future generations”, and;

WHEREAS, The EVP has been developed to provide students free transportation by providing a student to checkout an electric vehicle for up to a full day, and;

WHEREAS, The EVP will have it’s own new parking lot on campus and fifty parking locations built around the city of Pensacola with built-in charging locations, and;

WHEREAS, The EVP decreases the Pensacola Campus’ external electrical costs by using the solar power generated that is not used by the vehicles;

THEREFORE, BE IT RESOLVED that the University of West Florida Student Government Association, meeting at the University of West Florida on 01/17/14, hereby endorses an electric vehicle program on the Pensacola Campus of the University of West Florida, and;

BE IT FURTHER RESOLVED that this resolution be included in the minutes of this meeting and a copy presented to UWF Business Enterprises, Inc. and President Judy Bense.
