Legislative Intent

The Legislative Intent for 15-16 Bill III is to present to the Senate another option for their first stipend. The passing of this bill will remove the stipulation that all Senators will receive blazers as part of their first stipend and will replace the blazers with both an embroidered polo shirt and an embroidered button down shirt.

To clarify:

A vote for yes means that the Senator voting would prefer embroidered polo shirts and embroidered button down shirts.

A vote for no means that the Senator voting would prefer to keep the Statutes the same and that they prefer to receive blazers as a stipend, as opposed to the embroidered polo shirts and embroidered button down shirts.

303.6 Senators shall receive a stipend each semester, so long as each Senator has adequately fulfilled his/her duties upon the conclusion of each semester. If this is a Senator's first term, their stipend will be used to purchase a nametag, ~~and blazer~~ embroidered polo shirt, and an embroidered button down shirt. Afterwards, they can elect to receive their stipend in the normal fashion.
