

**The University of West Florida Student Government Association**

**In Recognition of Legacy, Governor Jake Hebert**

Resolution: 16-17 RS VI

Author: Senate Pro Tempore Leonie Dupuis & Vice-President Patel

To read as follows:

WHEREAS, Governor Hebert joined the University of West Florida Student Government Association as a Senator for the College of Science and Engineering, starting his 3 years of SGA involvement; and

WHEREAS, Governor Hebert faithfully and with honor served as Senate President, Vice President, President in the University of West Florida Student Government Association as well as Chair of the Florida Student Association while maintaining a high level of involvement across campus organizations, changing the campus culture and student experience; and

WHEREAS, Governor Hebert denoted himself as a fearless leader, pioneering through boundaries, making the University of West Florida Student Government Association the example for students across the state of Florida as Chair of the Florida Student Association, Board of Trustees, and member of the Florida Board of Governors; and

WHEREAS, Governor Hebert served as a voting member on the Board of Trustees for the University President's Selection; and

WHEREAS, Governor Hebert worked continuously to strengthen a cohesive campus life by creating the Campus Collaboration Board; and

WHEREAS, Governor Hebert managed the fruition of programs positively impacting hundreds of matriculates at the University of West Florida via Diversity Week, Homecoming Events, Athletic Events, Housing Programs, and many more.

THEREFORE BE IT RESOLVED, on this seventh day of April, at the last regular meeting of the 49th Student Senate, the University of West Florida Student Body hereby commends Governor Jake Hebert for his service to the Student Government Association and its Argonaut constituents and is hereby honored for outstanding and dedicated service to the University of West Florida.

Kishane Patel  
Student Body Vice President

Leonie Dupuis  
Senate Pro Tempore
