 1. Welcome Back! Musical Chairs event on Jan 25th from 11am-2pm in the Great Hall. Share with peers and they want a voice from the students. The contingency fund has built up over the years. So, we are planning to update the furniture in the Great Hall. Musical Chairs is for student feedback of what they want to see in the common areas so that they will come hang out and study in the Commons.
 - a) Megginson: Furniture is just for the GH? Yes, limited budget and the options is the what's in the budget.
 - b) Megginson: Tracking feedback? Surveys will be given. Voting in Market with different options for students to vote on but, still unsure on how survey will be taken.
- V. Appointments
- VI. Unfinished Business
- VII. New Business
 - A. Bill X - Eligibility Update
 1. Author: Megginson and Bessemer
 2. QUESIONS:
 - a) Jacques: High School SGA or community college difference? They run very differently
 - b) Joseph: Nontraditional? Semester wise not credit wise.
 - c) Bergosh: Grandfathered in? Tentative
 3. Debate:
 - a) Dupuis: Amend in red to read as "Students must have attended a university." Seconded Simpson.
 - (1) Debate Powell to Jenny - members would have two full semester before applying for sga. Start of term is April so they would be able to run but not be appointed until August.
 - (2) Bessemer: appoint date same a term date? If FC member decide to run in elections. He can't be sworn in because he doesn't have the second semester.

- (3) Dupuis: The verbiage of my previous amendment isn't correct. Moves to resend the amendment. Motion passes.
- (4) Powell: Moves to change to "one semester" instead of two semesters and that's 50% of the room who want to be senators. Seconded by Brock.
 - (a) Riley: intent isn't the same here. They want to reduce the amount of freshman with no experience to be appointed.
 - (b) Edgecombe: FC isn't an issue? This applies to the end of your FC term. Appointment issue and an Election issue now. Is it the right chapter in statutes?
 - (c) Kramer: you can lose a lot of spirit and drive by adding the new requirements.
 - (d) Rhein: why shorten the drive we should want.
Simpson: This is more for the training to make sure they are fit for Senate.
 - (e) Francois: we only took 21 of 100 freshman.
 - (f) Powell amend **Vote 1**: 15-9-0. Amendment pass.
- (5) Brock: With the one semester, they can now run for senate.
- (6) Rhein: Was a freshman and was told we were given that option.
- (7) Powell: Rather have empty seats or have full senate to help build the organization.
- (8) Riley: move top 10 move to Senators then bring the next 10 up to FC.
- (9) Hobley: FC is an experience unlike most experiences in SGA. we have more flexibility in the second semester.
- (10) Douglas: An issue for nontraditional students. They are the majority of the campus.
- (11) Francois: Out of 21 there are only 11 FC right.
- (12) Patel: Biggest turnover in FC in a long time.
- (13) Brock: FC came in second semester because of class schedule. If there are seats open we can do an interview and see if they are ready for Senator.
- (14) Kramer: Represented freshman?
- (15) Riley: FC still has points of debates but no voting rights.
- (16) Hobley: they are working as Senators but not with the title.
- (17) Megginson: Nontraditional students can complete a semester here at UWF. Not a malicious bill and we are thinking of FC.

- (18) Edgecombe: Why FC inform that we could be in Senate in being in FC? Patel: We do as a preparation track so they are ready to handle what being a Senator.
- (19) Dupuis: 15 minute warning. Move to suspend rule. Second by Megginson. Passed.
- (20) Hebert: Clarification when we market the positions, I hold the freshman application until he has opportunity to talk with FC heads. I saw three applications and three empty seats.
- (21) Edgecombe: Understandable but, why weren't informed that there wasn't three seats available.
- (22) Jenny: FC is a program meant to build the knowledge of what a university organization. Understand the waiting a semester but there will always be a learning curve.
- (23) Whipple: Senators who didn't go through FC but they do have other experience in a different organizations.
- (24) Bessemer: 21 seats for FC. They don't know that we have open seats. Equally opportunities of upperclassmen as a freshman.
- (25) Riley: FC is beneficial. My fellow FC member have gone on to other leadership position on campus not just SGA.
- (26) Brock: Just slide a new FC into shadowing? Appoint a freshman if they don't have UWF GPA?
- (27) Rhein: 3 seats open with three qualified freshman.
- (28) Hebert: have a UWF GPA must be a 2.5 gpa to have a leadership position. But if you dont it doesnt stop you from joining SGA.
- (29) Priman: According the statutes, FC represents the freshman class not their college.
- (30) Dupuis: we are off topic from the bills intent. We are addressing the policies.
- (31) Riley: Totally agrees that they should be separate.
- (32) Kramer: has associate already.
- (33) Denis: Motions to end debate. Seconded by Joseph.
- Vote 2** passes 18-5-1.
- (34) Cote: With just the one semester? Yes.
