Executive Addresses

President Johnson: Thank you for each and everyone of you. Congratulations Jackson, Jarred, and Jamie! Reuben was FC Chair, and so was Nuriel. We will be doing a Women Empowerment Luncheon with President Saunders for six weeks. It will be leading up to March, which is Women's History Month. On our platform we talked about extending hours to the library coffee house. We will be working on that.

Chair Miller Point of Privilege

Vice President Calvert: Mentor/Mentee reveal will be after Senate. Brought to me by FC Greer, we do not have cameras in the Nautilus Market. I will be heading that initiative as there are blind spots, so more cameras would be nice. The last Senate will be December 6th. It will be Holiday-themed. Next Senate is your last chance to present bills and resolutions.

Chief Negron: We have had vacancies in the Senate. We will be filling those in next semester. Right now, Secretary Lamungkun will be the Interim Director of Communications. We had the ad hoc committee meeting at 8am today. Our next step will be meeting with Administrations to get a better picture of what the situation looks like. Some changes that we have talked about includes transparency between administrations and changes to the statues. We will be looking for funding opportunities for the menstrual hygiene program.

Treasurer Tobar: We will be going over the budget next senate. *Travel Budget Updates*

Senator Tran: I am really excited for this. Each shift that you sign-up, there will be a point person that you will go to. I would like you guys to dress in your SGA polos and casual pants. We would love Senators help.

Chair Bare: We asked Chassity Hobbs if we could clean the greenhouse. She said that they have a contract for that. She did ask if we would like to mix soil.
